Land Acknowledgement: The Student Government of Florida State University acknowledges that it is located on land that is the ancestral and traditional territory of the Apalachee Nation, the Miccosukee Tribe of Florida, the Muscogee Creek Nation, and the Seminole Tribe of Florida. We recognize this land remains scarred by the legacies of violence and removal, we recognize the ongoing relationships of care that these Indigenous Nations maintain with this land, and we extend our gratitude as we live and work as humble and respectful guests upon their territory. We encourage all to learn about and educate others on the contemporary work of the Indigenous Nations whose land we are on and to endeavor to support Indigenous sovereignty in all the ways that we can.

Announcements:

- Welcome to Rules! So happy all of you are here and once again, congratulations on your roles as chairs of your respective committees. We have no type of business today, but I just wanted to go over and remind you all about some things. First, since we do not have a Vice Chair in this committee, it's either going to be whoever wants to volunteer or I can create an online spinning wheel and whoever's name it lands on will have to do the minutes.
- Please remember as Chairs of committees that you can't speak on legislation or give input, just preside over it. You can also not vote unless it's a tie-breaking vote. If you have any questions about the processes within committees, you can always go on the Canvas and under modules there's a Rules of Procedure tab for all the committees.
- In statutes, there are certain things that the Rules Committee does so if you ever want to know what we do exactly, it can be found there. For example, we'll review the calendar and hear suspensions and decide whether or not a senator should be unsuspended, etc.
