4.2. Bill 31

The restructure and organization of Elections Code

Essentially restructuring the election code and moving things around - nothing has changed in meaning.

Senator Mizel moves to move Spring Elections to Section 706

Senator Lewis seconds

Sponsors both find it friendly

Senator McQuillan - this is a very sensible change and will be important for students and making election code more accessible.

The order is a time line and the order is there for a reason; this is the logic behind it and have it be user friendly.

4.3. Bill 32

Amends Chapter 612 (which deals with the Student Government Golden Tribe Lecture Series) to eliminate the several specific allocations of membership in the committee, and instead place appointment power in the hands of the Student Body President. Also, it revises the statute to require all candidates chosen by the Golden Tribe Lecture Series Committee be approved by the SGA Senate via consent resolution after coming out of Student Affairs. Amends 802.10 eliminating the ability of Golden Tribe funds to be spent for any purpose.

Talking about the structure of the committee

Some believe we should replace the President with the Vice President

Some believe that the Globe Director should not be on it ... there should be more student representation

Possibly having a freshman, sophomore, junior, and senior rep... the committee agrees on this

Senator Lewis will meet with the advisor of the GTLS, what the dynamic is currently, the role of each person, what the goal is... essentially gain a better input.... identify things that could be done

For next meeting: Should we get rid of the globe?

Status: Deferred: 4/10/2018

5. New Business

5.1. Bill 34

To expand the window for submitting RTAC requests and to organize Title VIII using business days

Changing within the finance code... school days will be changed to business days, some people do not understand what school days are

For RTAC specifically the min time before the trip is being changed form 27 to 22 days to give RSO's a little more time to submit requests.

Confusion between school days and business days; spring break would also count for the business days... business days are more universally understood
