New Business:

- Bill 56 Durham- To remove the Office of Servant Leadership as a bureau in the Florida State Student Government Association.
 - Durham: This is implementing part 3 of the bureau review process. This is important, the office of servant leadership should not be a bureau anymore. They don't use funding and have no E board. I have been in contact with their advisor. The center for social leadership and change does everything they have been required to do, this is the starting point. This removes it before end of fiscal year.
 - Weber: do they have an advisor?

- Durham: yes
 - Denton: Chair Durham did a great job on the bureau review process, this is obvious
 - Gerdts: this doesn't exist in reality, shouldn't exist in statutes

 - Durham: We already did the big part, this is removing it from the list of bureaus, this takes it out of the table of contents. 4:33
 - Gerdts: does the office of men advocating responsible conduct exist?
 - Durham: no
 - Gerdts: We just eliminated this from existence, we should remove the name
 - Durham: thank you guys, this was a simple bill but was a lot of hard work. Communicating with people is difficult
