TABLED

- Senate Interviews

- Nikita Veimakin - Undergraduate Studies Seat 4
 - Intro: Wants to be in SGA because he wants to participate in community and do something for FSU
 - Chair Durham: Goals and ideas?
 - Does not have any concrete ideas right now but wants to work with Student Affairs, wants to do more events with students, interested in seeing more students participate in those events, a lot of people don't participate in these events so maybe motivating people to come out
 - Chair Johnston: Why are you choosing Senate as opposed to exec?
 - Start out small and wants to experience SGA from senate perspective and then later on maybe being on exec
 - Chair Glanton: What communities on campus?
 - FSU Outdoor pursuits and Seminole Striders
 - Chair Ready: SGA in high school / explain what that entailed?
 - SGA in high school is different but the main goals are pretty much the same... in high school it was a lot of event planning a lot of that was different than the university level

- Chair Warren: What qualities do you have?
 - Funny and entertaining, a good person to be around, cares about people's beliefs, and has good leadership skills
- Chair Glanton: What communities do you think SGA could serve better?
 - The freshman students wants to work on community involvement with off campus students
- Chair Ready: What is one skill that you are really good at?
 - A good analyzer and enjoys analyzing research... likes to read; really good at researching
- Chair Johnston: What are you looking forward to in Senate?
 - Looking forward to learn about SGA, how SGA works, wants to start off somewhere.... Wants experience for his future at FSU

 - Chair Glanton: What would you improve on the mobile app?
 - The login is confusing so he wants to improve it
 - Chair Warren: What qualities?
 - Leadership qualities, public speaking, determined
 - Chair Glanton: Biggest weakness and turning it into a strength
 - Letting other people take the role instead of just doing it himself
 - Chair Denton: Project from SGA in high school?
 - Org that builds schools ...took over the idea and raised 50K to help build a school.
 - Chair Johnston: Ideas within the college of business?
 - As for MIS, wants to improve on the IT side of it
 - Chair Ready: What have you learned in classes that will bring unique experiences?
 - Not yet, most of his experience has come from his dad and his internship will allow him to improve
 - Chair Durham: Dedicated? How do you see yourself as reliable and adaptable?
 - Always knows priorities and adaptable... gets out of his comfort zone and he's from out of state
 - Chair Warren moves to vote by acclamation, Chair Denton seconds...

CANDIDATE PASSES BY ACCLIMATION
