

**71<sup>st</sup> Student Senate  
Sustainability Committee Report  
January 11, 2018**

**Call to Order:** 5:00PM

**Members Present:** Chair Harris, Senator Harmon, Senator Leckie, Senator Purganan.

**Members Tardy:** Vice Chair Walsh

**Members Absent:** Senator Dean, Senator Dobbins, Senator Gurau, Senator Glanton, Senator Johnston, Senator Murcia, Senator Sandoval, Senator Warren.

**Guests:** None.

**Announcements:**

- Chair – Welcome back from break!

**Committee Business:**

- None.

**Old Business:**

- Review of the previously written draft resolution for the 71st Student Senate to recognize the results of the 4th National Climate Assessment and pledge to take action in order to mediate the effects of climate change.
- The resolution was approved for content and left in the Google Drive (access available through Chair Harris 954-857-6811) for language to be clarified.
- Will be submitted on First Reading this week.

**New Business:**

- Began to brainstorm the possibility of the SGA Student Senate leading by example and going paperless.
- Logistics were discussed such as accessibility to the documents electronically (Google Drive vs. Drop Box), projecting the agenda, establishing a transitional phase, and limited paper copies of senate documents for guests.
- Discussion also consisted of concerns as to whether this should be done by amending Rules and Procedure or Senate Statutes.
- A decision was come to that Dr. Acosta and more experienced senators would be consulted on the matter.
- A draft was made and added into the Committee folder on Google Drive.
- Will be revisited next week.

**Unfinished Business:**

- None.

**Final Announcements:**

- Senator Leckie – Please remember that my Resolutions 6 & 7 will be on Second Reading at Senate this Wednesday.

**Date and Time of Next Meeting:**

- TBA

**Adjourned: 6:00PM**
