Committee Business:

- Bills & Resolutions

Old Business:

- **Resolution 34 - Sponsored by Senator Acanda (P):** Amending Senate Rules of Procedure 202.7 regarding Town Halls.
 - Roundtable:
 - Leckie: this is a big issue. This type of issue deserves an ad hoc to assure that we hear more from the student body to ensure we meet their needs. I believe we should table this until further notice
 - Cohen: I agree with the idea of planning it out a little better but I'm unsure if an ad hoc would be the way to solve this. I really believe we need more communication to get his legislation passed
 - Leckie: I don;t want to put something in our rules until we hear more from the student body. We need to consult the participants of the town halls to get their opinions on hosting this type of event.
 - *Leckie moves to call the question, Daraldik seconds*

- Closing: I think something like this is important and we need

Resolution 34 Passes

New Business:

- **Bill 69 - Sponsored by Senator Porter (P):** Amending Student Body Statutes Chapter 413.7 regarding Spring Awards timeline.
 - Opening: This is a really simple bill to establish when we vote on the spring awards and we are always unsure of when the inauguration date is. This bill makes it a easier process for the director to purchase awards with enough time 1:35 for closing
 - Technical Non-Debatable: None
 - *Chair Leckie moves into roundtable, Daraldik seconds*
 - Roundtable:
 - Leckie: supports the bill and believes it will alleviate stress placed on the director and ensure the future efficiency of our SGA.
 - Murcia: seconds the sentiments of previous senator. Anything to help Dr. Acosta
 - *Murcia moves to call the question, Leckie seconds*
 - Closing: Thank you so much, I look forward to hearing this bill tonight
