Discussion

We discussed the possibility of implementing a new comments/suggestions tab on the COGS website so that graduate students can bring various issues to our attention. We also discussed the on-campus parking situation. Creating a questionnaire for graduate students might give us the information needed to start the discussion with FSU transportation.

Possible questions:

What is your academic standing? Undergraduate Graduate

Where do you live relative to campus? On campus, less than 1 mile, 1-5 miles, greater than 5 miles

How many days a week do you drive to campus?

How many times have you missed or been late to class in a semester because of parking? None, 1-2, 2-4, 5+
