 - Opening statement: Good evening! Today, I want to present the three organizations that we heard tonight. The Diverse World Fashion wants to receive funding so that they can hand out magazines to the student body. The Afro-Latinx Student Association was funded \$0 because of a trademark situation. We consulted the business manager, but PAC was not comfortable fulfilling their request. Esports of Florida State was funded \$744 since it was benefitting the student body.
 - Senator Marcus: For the Diverse World Fashion, did they do any fundraising?
 - Chair Roy: They do have member dues, which do go towards magazines, but they wanted funding to actually print out some magazines. They usually have them posted online.
