Unfinished Business:

Candidate Chloe Connor for senate clerk: I am a junior majoring in economics, I got interested over the summer, I have never really stopped watching as I have been watching every meeting either live or the zoom recording, I served as the Assistant Director of Operations for IRHC, I had to manage the minutes and the canvas page for IRHC, I look forward to taking these minutes and fulfilling the duties of senate clerk.

Questioning:

Senator Nasworthy: What can you take from your experience in IRHC to take into the position of senate clerk.

Candidate Connor: The biggest thing i can take from that experience is communication skills, working with the executive board and board of directors to communicate to the different hall councils and I hope to bring the previous experience of communicating events to the hall councils and using that to make sure information is communicated to all senators.

Motion to move into roundtable: Senator Nasworthy

Second: Senator Hitchcock

Roundtable discussion

Senator Nasworthy: in my previous experience working in a very close organization, the work the candidate did will serve her well as senate clerk and I fully recommend her.

Chair England: Her canvas management experience is huge, and President Harmon has wanted a senate clerk to be able to manage a senate canvas page similar to the Garnet & Gold Key, the canvas management that she brings will be very exciting.

Closing Statement: I appreciate the swiftness of the committee and if you have any questions please feel free to contact me and I am excited for this role.

Motion to Call to question: Senator Nasworthy.
