Call to Order: 8:01

Members Present: Rodriguez, Hunter, Hitchcock, Ramos, Murray, Preisha, Moore, Duperie

Members Tardy: Nemeth

Members Absent: Flashman

Guests:

Announcements:

- Chair Martin: Thanked everyone for being here and stated SLAA is here for students and to make change
- Vice Chair Murray: N/A
- Members: N/A
- Public Comments:
 - Brandon Gabay: Thanks SLAA for hearing out their constituents and rejecting anti-jewish legislation. This legislation has created mental health problems due to the constant battle they've had with senate
 - Shayna Cohen: Wanted to echo what Brandon stated and told SLAA members to read resolutions and make sure you're informed on what you're voting on. Spoke about leaders coming to her about creating a definition for Islamophobia. Affected communities should be creating these definitions.

Committee Business:

- Bill 11 Sponsored by Senator Marcus
- Resolution 17 Sponsored by Senator Daraldik
- Resolution 18 Sponsored by Senator Daraldik

Old Business: NA

New Business:

- Bill 11 Sponsored by Senator Marcus
 - Opening Statement: Working closely with two FSU students. Have had conversations with students parents and faculty about the lack of changing tables in restrooms across campus.
 - Senator Hunter moves to roundtable and Hitchcock seconds

- Senator Hunter thinks this is a great bill but has a question about where these changing tables will be located for the first 6 changing tables being installed
- Senator Marcus stated the 2 main dining halls and then HCB
- Senator Preisha questioned what areas are most populated on campus with student parents?
- Non-committee member: Emily Pacenti speaks
- Pacenti stated she did a case study with a student who dropped out due to lack of resources for student parents on campus. Locations were chosen for the two main dining halls, libraries, and HCB due to these areas being populated. Sandels hall is most populated with student parents but already is equipped with changing stations.
- Senator Hunter questioned if changing tables will be in the new student union?
- Senator Marcus does not know the floor plans of the new student union, but is willing to write a resolution encouraging this.
- Senator Murray calls the question, Hunter seconds.
- Closing Statement: Wants to do everything in his ability to support student parents and staff on this campus.
