I just wanted to pop in and say hi to you all and also tell you all that we have the graduate student life task force that we started if you all wanted to come attend, not be in it, but give your feedback and see what we are up to. Specifically, the post baccalaureate student life task force.
- Chair DuChêne: Is there a specific date and time for the task force?
- Harshe: There is not because there are so many people on the task force that it's hard to coordinate. There are 16 of us, 10 of which are faculty.
- Chair DuChêne receives his contact information so that he can be in touch with the SL committee

Land Acknowledgement: The Student Government of Florida State University acknowledges that it is located on land that is the ancestral and traditional territory of the Apalachee Nation, the Miccosukee Tribe of Florida, the Muscogee Creek Nation, and the Seminole Tribe of Florida. We recognize this land remains scarred by the legacies of violence and removal, we recognize the ongoing relationships of care that these Indigenous Nations maintain with this land, and we extend our gratitude as we live and work as humble and respectful guests upon their territory. We encourage all to learn about and educate others on the contemporary work of the Indigenous Nations whose land we are on and to endeavor to support Indigenous sovereignty in all the ways that we can.
