Land Acknowledgment The Student Government of Florida State University acknowledges that it is located on land that is the ancestral and traditional territory of the Apalachee Nation, the Miccosukee Tribe of Florida, the Muscogee Creek Nation, and the Seminole Tribe of Florida. We recognize this land remains scarred by the legacies of violence and removal, we recognize the ongoing relationships of care that these Indigenous Nations maintain with this land, and we extend our gratitude as we live and work as humble and respectful guests upon their territory. We encourage all to learn about and educate others on the contemporary work of the Indigenous Nations whose land we are on and to endeavor to support Indigenous sovereignty in all the ways that we can.

- **Bill 27** - Sponsored by Chair Bettley - A transfer of \$2500 from the VSU Expense category to the VSU Food category

- **Opening:** Sarah Johnson contacted me from VSU to move some of their monies around, and this ensures that VSU is going to be able to spend the rest of their money this fiscal year. They are intending to use this money for upcoming social events.
- **General Questioning**
 - Senator Mantilla: Do they know when these events will be?
 - Chair Bettley: No, I think its more proactive. With the amount of money they have right now in their food category, it is difficult for them to plan.
 - Senator Dale: Concerned that because there is not a specific statement detailing intentions for spending, that the bill doesn't abide by the statues.
 - Chair Bettley: I dont think that statutes require a statement, but to move money between categories, there does need to be a bill.
