Land Acknowledgment The Student Government of Florida State University acknowledges that it is located on land that is the ancestral and traditional territory of the Apalachee Nation, the Miccosukee Tribe of Florida, the Muscogee Creek Nation, and the Seminole Tribe of Florida. We recognize this land remains scarred by the legacies of violence and removal, we recognize the ongoing relationships of care that these Indigenous Nations maintain with this land, and we extend our gratitude as we live and work as humble and respectful guests upon their territory. We encourage all to learn about and educate others on the contemporary work of the Indigenous Nations whose land we are on and to endeavor to support Indigenous sovereignty in all the ways that we can.

- **Bill 31** - Sponsored by Vice-Chair Burton and President Diaz - A transfer of \$9000 from OGA's Expense category to their Food category
 - **Opening:** OGA has \$2,150 dollars in their food category, and that's not enough for their upcoming events. In their expenses category they have \$11,000 so this bill will just transfer that money over for them.

- **General Questioning:**
 - Chair Bettley: Do they have any other plans for the extra remaining money, seeing that they're requesting \$9,000 and only plan on using \$5,000?
 - Vice Chair Burton: Yeah it's for the end-of-the-year event
- **Roundtable Debate:**

 - **Opening:** Moving 6,000 dollars from the contractual services account to the expense account so they can plan accordingly for Women's History Month. I have attached an itemized expenditure that explains what this money will go towards.
