We recognize this land remains scarred by the legacies of violence and removal, we recognize the ongoing relationships of care that these Indigenous Nations maintain with this land, and we extend our gratitude as we live and work as humble and respectful guests upon their territory. We encourage all to learn about and educate others on the contemporary work of the Indigenous Nations whose land we are on and to endeavor to support Indigenous sovereignty in all the ways that we can.

A Thank you to the FSU Police Department and the Tallahassee Police Department. Creating a Liaison position to facilitate stronger communication with the local law enforcement community.**

- Opening Statement (5 mins):

Newsome: "We just wanted to recognize the FSU Police department to show that we appreciate them and wanted to recognize and reach out to them. This includes adding a liaison or somebody that we could have to represent them in Senate. We want to reach out to them and be that connection between us and the FSUPD, just to create a relationship with them and establish that we appreciate them and recognize them for all that they have done for us."

- Technical Non-Debatable Questions: N/A

Humberg: Is this just a resolution to say we appreciate them, or do you want to also create a liaison to also have a working partnership with them?

Newsome: Yes, we are creating a partnership.

Carter: Will this liaison function similarly to other Senate liaisons, or are there any other stipulations?

Newsome: I'm still new at this, so could you explain what a liaison does?

Carter explains the function of a Senate liaison.

Newsome: Then yes, this position will establish a similar liaison.

Hockett moves to enter round-table discussion; Hansen seconds.

- Round-Table Discussion:

Hockett: Liaisons are a great way to touch base with organizations all around campus, and they allow us to get an update on upcoming events.

Prium: I'm in total support of this.

Barrett calls the question; Prium seconds. No objections.

- Closing Statement:

Newsome: I am super excited about this, and we cannot wait to get started on this project. Chief Harris is also very appreciative of this and wants to get more involved within the student body, and this would be a great way to do that.
