Land Acknowledgement

The Student Government of Florida State University acknowledges that it is located on land that is the ancestral and traditional territory of the Apalachee Nation, the Miccosukee Tribe of Florida, the Muscogee Creek Nation, and the Seminole Tribe of Florida. We pay respect to their Elders past and present and extend that respect to their descendants and to all Indigenous people. We recognize this land remains scarred by the histories and ongoing legacies of settler colonial violence, dispossession, and removal. In spite of all this, and with tremendous resilience, these Indigenous Nations have remained deeply connected to this territory, to their families, to their communities, and to their cultural ways of life. We recognize the ongoing relationships of care that these Indigenous Nations maintain with this land and extend our gratitude as we live and work as humble and respectful guests upon their territory. We encourage all to learn about and educate others on the contemporary work of the Indigenous Nations whose land we are on and to endeavor to support Indigenous sovereignty in all the ways that we can.

Closing Announcements:

- President Diaz: Well, done today everyone, it was a quick meeting. As finance committee, your obligation is to look over the finance statues and make amendments. You can look over those this summer and make changes that you see fit. I know that a few people are working on raising the amount of money per shirt RSO's are allowed, so feel free to talk with Jacalyn about that. That's it from me!
- Chair Marting: Thanks for the help, President Diaz. I'll talk with Jacalyn about that in the next few days. Also, I'd like to look through the Rules of Procedure for the Finance Committee, as it doesn't seem like we have much to do for the summer and it'd be a good time to clean that up for the fall.

Next Meeting: TBD

Adjourned: 3:08PM
