The Undergraduate Mock Trial Program:

Recap: They want to be able to send individuals to two more competitions, one at the University of Alabama and another at the University of West Florida. They are requesting to send two teams and are asking for funds to pay for lodging and registration.

- Let it be known that more individuals will attend the University of Alabama than the University of West Florida competition.
- Let it also be known that the Undergraduate Mock Trial Program is a registered student organization.
- Dues are $170 per person and they currently have 42 members
- Motion: To fund the Undergraduate Mock Trial Program $1,265 in the Expense category
  - Motion made by Quentin Knight-Baker

**Asian American Student Union (ASU):**

**Recap:** ASU would like funds to help send students to an annual conference held by the East Coast Asian American Student Union. This year it will at Cornell in Ithica, New York. Expenses are higher this year because the location is further away this year. They are asking for funds to help fund travel, lodging, and registration.

- Applications are open to all student who have not been to the conference before
- Last year 22 individuals went and 16 paid out of pocket
- With their current budget they can pay for 3 individuals
- It is hard for ASU to fundraise because they are an agency and their money comes from A&S fees
- Motion: To fund $3,000 to the Asian American Student Union in the category of Expense
  - Motion made by Quentin Knight-Baker
  - Seconded by Evan Rapee
- Vote: Passed
  - Yes: Sabrina Bousbar, Joy Wright, Quentin Knight-Baker, Saphicher Gonzalez, Jason Arthmann, Evan Rapee

**Academic Center for Excellence (ACE):**
Recap: Asking for funds to provide food to student during the last two weeks of school in Spring 2018, pens, and shirts.

- Shirts potentially bought with SGA funds would be available to every student. The sweepings committee came to the consensus that the shirts should have the hours of operation of ACE on the shirt.
- The goal of having ACE shirts would be a form of advertisement and to let more students know about the services ACE offer. Previously ACE has never made shirts to give out to the student body.
- Let it be known that ACE has received $650 from Senate Projects for Fall 2017
- ACE speaks at events in dorm, orientation, and table on Landis Green
- Motion: To fund $665 to the Academic Center for Excellence under the Clothing and Awards category
  - Motion made by Jason Arthmann

Student Government Association Administration (SGA-Admin):

Recap: Requests funds to pay for OPS wages, staff/faculty shirts, and several expenses regarding the new BSU house and the transition of moving SGA due to the rebuilding of the union.

In order of priority they would prefer OPS wages first, then Expenses for moving, and then the Staff shirts.

SGA-Admin was cut $2,000 in the budget

SGA-Admin serves as a catchall for SGA organizations

Motion: To fund the Student Government Administration $1,337 in the OPS Wages category

Motion made by Joy Wright

Seconded by Jason Arthmann

Vote: Passed

Yes: Sabrina Bousbar, Joy Wright, Quentin Knight-Baker, Saphicher Gonzalez, Jason Arthmann, John McQuillan

**Inter-Residence Hall Council (IRHC):**

**Recap:** Requested funds for shirts and food for events in the Spring. Specifically, Lord of the Wings, Yoga for Yogurt, and the Compass Leadership Retreat.

- IRHC previously had a $5,000 contract with Aramark but not with Sodexo
- Note the IRHC currently has $525 in clothing and awards, $2,400 in expense, and $600 in food.
- **Motion:** To fund $2,500 to the Inter-Residence Hall Council in the Food category

**Student Council for Undergraduate Research and Creativity (SCRUC):**

**Recap:** Requested funds for conference travel grants and the Owl Undergraduate Research Journal.

- Their priority was to fund 5-8 more students regarding the travel grants. They have not funded any travel grants for Fall 2017
- SCURC funds grants for conferences that are based on presenting research or academic and creative endeavors.
- From 2016-2017 they had 27 applicants and they awarded 18, but they had to decline five applicants due to not having enough funds.
Motion: To fund $2500 to the Student Council for Undergraduate Research and Creativity in the Expense category.

FSU Medical Response Unit:
Recap: Requested funds to provide staff uniform polos and jackets and a golf cart to further spread their reach on campus
  • The jacket would be considered a uniform and staff are not allowed to take them home.
  • Over 200+ injuries a semester, all non-life threatening
  • They have 3 cars and 3 (out of 5) functioning golf carts
  • To have an ambulance sit an event it cost around $1000 and FSU Medical Response Unit is free
  • They use all of their vehicles when there is a football game
  • They allow UHS to sometime use their golf cart

**Oglesby Union:**
**Recap:** Requested funds for the OPS wage increase and the transition of Union entities elsewhere while the Union is undergoing construction
They had requested $78,100 and they got this number by taking the Sweepings budget and dividing it by three.

Decisions for the union are being changed frequently so it was hard for them to give us specific numbers. They recently (a day or two ago) just learned about the temporary plan of transition of the union.

There is a lot of uncertainty with the union because decisions are made and changed every day.
