

To the Supervisor of Elections,

I spent \$30.03 on my bid for Fall Seat 1 of the College of Social Sciences. I did not raise any of this money from sources other than my own bank account. All of my spending was in the printing of flyers from Vistaprint, and I have attached a screenshot of the statement given to me by USAA. I hope this will be enough for my final expense statement. I certify that this is all I have spent.

Best,

Brendan S. Gerds
