Official Memorandum from the Supervisor of Elections

September 6th, 2023

To: The 75th Student Senate
Student Body President Jack Hitchcock
Senate President Samuel Diaz
COGS Speaker Susan Rogowski

From: Supervisor of Elections Spencer Greenwood

RE: Setting the Fall 2023 Election Date

According to SBS 705.4, if the Student Senate has not passed a resolution by the end of the Spring Semester, the Supervisor of Elections shall set the date of the Fall Election. SBS 705.4 reads "If no such resolution is passed the Supervisor of Elections shall select the date of elections no later than the Friday following the third Wednesday of the semester."

In light of this, and due to the current scheduling of Homecoming conflicting with the original planned date, the Supervisor of Elections has decided to move the Election date back by one week. Pursuant to 705.4, The Supervisor of Elections is rescheduling the Fall 2023 SGA Election to be held on October 25th from 8AM to 7PM.
