**Seal of the Student Body Attorney General**

The Seal of the Student Body Attorney General was created by Executive Order 2 which stated: "That all books, papers, documents, and records in the Student Body Attorney General's Office, may be copied and certified under seal and the said Attorney General shall cause a seal to be made and provided for their office, with such device as the President of the Student Body shall approve."

The Seal was designed to include Lady Justice, wearing a blindfold, carrying a sword and a set of scales. A common symbol on many courthouses in America. Lady Justice symbolizes "fair and equal administration of the law, without corruption, favor, greed, or prejudice".

"Lady Justice originates from the personification of Justice in Ancient Roman art known as Iustitia or Justitia after Latin: Iustitia, who is equivalent to the Greek goddesses Themis and Dike."

"The blindfold represents objectivity and impartiality, that justice should be meted out without fear or favor, regardless of money, wealth, or power."

"She holds scales to represent the weighing of evidence, evidence must be weighed on its own merit."

"The sword represents punishment, signifying that justice can be swift and final. She holds the sword below the scales to show that evidence weighted on its merit in a court of law come before punishment.""

**Section 4:** The webpage shall have two pictures. One showing the Attorney General's Picture which shall be emailed to the SGA webmaster by the Attorney General. The second picture being the Seal of the Student Body Attorney General which shall be emailed to the SGA webmaster as well.
