

# THE EXECUTIVE BRANCH

THE MONTHLY NEWSLETTER OF  
THE LEVIN-JANVIER-HALL ADMINISTRATION

## THE 2020 STATE OF THE STUDENT BODY ADDRESS

On Wednesday, September 16th 2020 at 7:00 PM, Student Body President Jonathan J. Levin gave the State of The Student Body Address. President Levin gave various updates on the meaningful and much needed work that The Levin-Janvier-Hall Administration and the entirety of our Student Government Association has been able to accomplish thus far throughout their terms. The address left the Florida State University student body eager and expectant for the projects and plans that we are beginning to encounter during these unprecedented times. The administration recognizes that the transition into virtual learning has not been easy, but encourages our student body to inspire growth within each other and unify to seek the betterment of Florida State University.

**TODAY, I AM WITH YOU IN BELIEVING THE  
STATE OF OUR STUDENT BODY IS  
PASSIONATE, COURAGEOUS, AND STRONG.  
- STUDENT BODY PRESIDENT  
JONATHAN J. LEVIN**

The 2020 State of The Student Body Address can be found on the SGA website or on our various social media platforms.

## LOOKING TO GET INVOLVED?

Head over to the FSU SGA website ([sga.fsu.edu](http://sga.fsu.edu)) under the 'Get Involved' tab to view the open positions within the Florida State University Student Government Association.

# FSU SGA COMMUNITY CALENDAR

FSU SGA is excited to announce the establishment of a community-wide virtual calendar! This platform will serve as a new way to stay up to date on all FSU SGA affiliated events held by our agencies, bureaus, class councils, institutes, executive branch, legislative branch, and judicial branch. We look forward to building community, lowering barriers for students to get involved, and sharing this space with you!

# EXECUTIVE BRANCH UPDATES

The Executive Branch has been working tirelessly to prioritize the needs and concerns of The Florida State University Student Body. As we look to the remainder of our semester, we are continuing to push towards this goal by the following;

- Creating a joint community documentary to highlight the history of student activism in Tallahassee.
- Furthering the creation of Rectifying Injustices through Student Empowerment of Underrepresented Peoples also known as RISE UP, in an effort to best listen to the student body and propose impactful policy solutions representative of their views.
- Facilitating a strong relationship with Transportation and Parking Services to reduce the known parking issues.
- Ensuring that all members of the SGA Executive Branch leadership have attended NCBI trainings.
- Striving to make AEDs and CPR training more accessible on our campus through the TOM Project - honoring a brother of Pi Kappa Alpha who died of a heart attack earlier this year.
- Continuing partnerships with BiteSquad to provide discounts for FSU students.
- Establishing MOCAA: Mentorship Opportunity for Continued Academic Achievement which will provide mentorship between graduate and undergraduate students.
- Continue to fully support our veteran and military affiliated students through programming such as the Fallen Heroes Ceremony or advocating within the Florida Legislature.
- Working with the Office of Business Services to enhance the Roundup for FSU campaign.
- Continue to visit one new Registered Student Organization per week.
- Further our partnership with the Direct Support Organizations in giveaways, funding campaigns, and much more.
- Lastly, we are excited to continue building a cohesive and collaborative relationship with the Panama City Campus, Florida Agricultural and Mechanical University, and Tallahassee Community College.
