MEMORANDUM

To: The Johnson-Olsen Administration

From: The Gabadage-Adams-Louis Administration

RE: Veterans Month 2022

On behalf of the Gabadage-Adams-Louis Administration, we would like to congratulate you on a successful Veterans Month during November of 2022.

We would like to highlight and honor the events you hosted during the month of November- “Florida State Salute to the Seals”, “TopGun Movie Screening”, and “Battle of the Bands”. These events were a deeply impactful way of honoring the individuals who have served our country, inspiring a commitment across the campus community to celebrate our fellow military Seminoles in all that we do.

We pay tribute to all veterans within our Seminole family, recognizing the weight of the sacrifices that these brave individuals have made for our freedom.

We commend the entire Johnson-Olsen Administration, Executive Board, and all who contributed to make this month possible. The leadership of the Veterans Student Union continues to help make our campus a space for veterans to thrive and cultivates a spirit of gratitude and appreciation across campus.

Congratulations on your great success, we look forward to supporting you in your future events!
