Director-

- Expectations
 - Communication
 - Responses within a reasonable amount of time, all messages should be liked to show that you have seen the message
 - 48-hour rule for messages (mainly texts)
 - Efficiency
 - We need to make sure we do things in an efficient manner
 - Most of us are friends and we already know one another but we need to make sure we don't sidetrack too much
 - Need to be efficient in our board meetings, staying on topic then especially
 - Doing things efficiently especially when we have a tight turn around
 - Attendance!
 - Definitely an emphasis this year, more strict than last year
 - Having attendance is vital to having a cohesive executive board
 - All of our board meetings and events will be in person throughout the year
 - Maybe an exception for a board meeting over break
 - JSU needs to be each of our priorities
 - Reliability
 - We need to be able to rely on one another and communicate our work & needs in terms of board stuff
 - If you are behind on something or need help, ask!
 - Respect
 - This will likely come up when we have disagreeing opinions

- With all the antisemitism on campus, it is possible that we may have some differing opinions on solutions
 - Working with things like this it is possible we may disagree, but this means we need to be highly respectful of one another's opinions to work towards the same goal
- Board Meetings
 - Email Emily about board meeting-related content no less than 24 hours before so she can put it on the agenda
 - We don't need these meetings to be just Emily talking to us about business, she wants us to bring ideas too and all work together
 - We shouldn't waste time at meetings socializing but we should bring ideas if we have them
 - We are going to find meeting times soon for the fall
- Microsoft teams
 - To organize business-related stuff for the board and manage board tasks
- Homecoming – Cultural Day
 - 4 different booths for this
 - We are splitting into teams of two
 - Ben & Amanda
 - Emily & Zack

 - Remi & Eric
 - We all need to come up with ideas for this but Israel is not going to be an option for this as we are not taking a stance on this issue
 - We do not want political backlash, and as a part of SGA as an agency it is not our place to take a stance
- Homecoming – Service Day, Sept 27
 - We will donate supplies to the Ronald McDonald House
 - There will be an art gallery
 - There will be a poll in the group chat to vote whether we should participate
- Homecoming Delegate?
 - One person to go to the homecoming meetings
 - We should make sure that people from our organization have members that want to be a part of it too
 - We want to make sure that we have the time to do this before committing to it
 - Homecoming committee?? Or have a committee that exists already help out with it
