We pay respect to their Elders past and present and extend that respect to their descendants and to all Indigenous people. We recognize this land remains scarred by the histories and ongoing legacies of settler colonial violence, dispossession, and removal. In spite of all this, and with tremendous resilience, these Indigenous Nations have remained deeply connected to this territory, to their families, to their communities, and to their cultural ways of life. We recognize the ongoing relationships of care that these Indigenous Nations maintain with this land and extend our gratitude as we live and work as humble and respectful guests upon their territory. We encourage all to learn about and educate others on the contemporary work of the Indigenous Nations whose land we are on and to endeavor to support Indigenous sovereignty in all the ways that we can.

Ashley Boudreaux – Mental Health Council Director (1 Applicant)

- Opening Statement:
  - Hi Senate, I am the current Assistant Director and Interim Director for the Mental Health Council, last semester I applied for the position of Assistant Director because of my passion for mental health, and my understanding of how crucial it is to be addressed, especially in the college demographic. Upon the departure of the previous Director, I have been serving in this role for approximately 2-3 months and I am fully on board with the programming and looking forward to building it back up, as most of you know, it has greatly fallen off the past few years. Because I have already been serving in this role for a while, this confirmation is just a formality. Thank you.
- Closing Statement:
  - Thank you for taking the time to hear me, especially amidst the frenzy of tonight's results. I'm really excited for what the Mental Health Council has coming up and thank you once again.

The relationships that I created and relationships that I still have today are super important and I just want to maintain that space and establish a new cohort of freshmen and hopefully build

up this program and ease the transition from high school to college for these kids.

- Closing Statement:
  - Just want to thank you guys for this opportunity and I really appreciate it.

Consent Calendar:

CR 16

Sponsored by Senator Wyatt (P)

To fund Yoga Club at FSU, Society of Women Engineers, Arab Student Union, and Minorities in Public Health.

- Opening statement on the Arab Student Union Line Item:
  - (**RECORDING INAUDIBLE**) process, I just want to clarify why we made the decision that we did. The Arab Student Union was requesting for two different events to celebrate Ramadan. We decided to fund the one dinner event, for a line item of \$3,016. Their other line item was about \$1,500, but the Muslim Student Union was having a very similar event the day before, so we thought it would be better for the Arab Student Union and the Muslim Student Union to at least try to coordinate together because we are getting very, very low on funds.

- Opening Statement:
    - This is something we talked about in the Sustainability Ad-Hoc, it's a great bill and it's something similar to what the previous Senate President, Abril Hunter, did when banning plastic water bottles. I don't think we have any issue with plastic straws currently, but this just makes it clear on what we want A&S fees to be used for. It takes about 200 years for these straws to degrade.

  - Hello guys, **(RECORDING INAUDIBLE)** being the liaison for AASU, **(RECORDING INAUDIBLE)** they bring in an artist to perform, basically what these three bills do are transferring funds from **(RECORDING INAUDIBLE)** to allow **(RECORDING INAUDIBLE)**, it's going to be really exciting so thank you.

- Opening Statement:
  - Some of you can go back to recent memory (**RECORDING INAUDIBLE**), in the writings of that bill, (**RECORDING INAUDIBLE**) and we don't confirm Assistant Directors, so this is a very simple bill to rectify that. (**RECORDING INAUDIBLE**) and I just want to apologize for not seeing this originally.

### Resolutions Second Reading:

#### Resolution 23

Sponsored by Senators McMahon and Crocker (P) Anderson, Adonis, Diaz, Dlugos, LoBianco, Roogow, Vollick (Co)  
Per Student Body Statute 307.3(A) the Internal Affairs committee has created a resolution with recommended changes to the SGA application Process. (**Referred to Student Life and Internal Affairs. Passed in Student Life 02.24. Passed in Internal Affairs 02.27**)

- Opening Statement:
  - Per Student Body Statute 307.3(A), all confirmations (**RECORDING INAUDIBLE**) Attorney General, our biggest change to the application is to switch (**RECORDING INAUDIBLE**). Just touching on Survey Money, they have a feature where they can see where their application is in the application process. (**RECORDING INAUDIBLE**). This will just streamline the process to make the application as simple as possible, so we are not turning any applicants away. With that, we want to rely more on the Interview process and so we combined many questions into one to make the application process as simple as possible. We want to focus less on written responses and more on the interview so we can get a better understanding of the candidate, and foster more engagement within Internal Affairs. They are giving up their time so we should give them our time. (**RECORDING INAUDIBLE**).
- General Questions:
  - Folwell: In the 'Whereas' Clause (**RECORDING INAUDIBLE**), it says (**RECORDING INAUDIBLE**). Would every other section be deleted (**RECORDING INAUDIBLE**).
    - They would select from the drop down menu so they won't accidentally apply for the wrong position and we don't have to forward them, so this will really streamline the process. There's also options where if you pick one

job, you'll have specific questions that don't apply to everybody. It makes it less confusing and more personalized.

- Widmann: **(RECORDING INAUDIBLE)** Does Survey Monkey **(RECORDING INAUDIBLE)** or how does that work?
  - They go through different "buckets", like how certain buckets are different requirements like GPA requirements, etc. So Survey Monkey will allow the applications to see which bucket their application is in and what stage of the process they are in. When I applied to the 73rd Senate, my application kind of got lost, so this will just prevent that from ever happening again.
- First round of Pro:
  - Maglin: **(RECORDING INAUDIBLE)**. I think that **(RECORDING INAUDIBLE)** candidates **(RECORDING INAUDIBLE)** and I like this.
  - Salazar: **(RECORDING INAUDIBLE)** I know how important it is **(RECORDING INAUDIBLE)** and I am in full support.
  - Lobianco: I am also in full support **(RECORDING INAUDIBLE)**.
- Chehaitli: **(RECORDING INAUDIBLE)**. And also **(RECORDING INAUDIBLE)**.
- Folwell: This is important to the Senate and in a year, no one will remember what it was like before.
- First round of Con:
- **Salazar moves to call the question. Maglin seconds.**
  - **No objections.**
- Closing Statement:
  - Just want to thank you guys **(RECORDING INAUDIBLE)**. And we think this will be really beneficial for the committee and the applicants.
- **Voting Results for Resolution 23:**
  - **36 yes, 0 nos, 0 abstentions.**
  - **Resolution 23 passes.**

## Resolution 24

Sponsored by Senators Jones and Salazar (P) White, Dale, Maglin, LoBianco, Folwell, McEntyre, Alvarez, Fineout, Chehaitli, Carter, St. Hilaire, Anandjiwala (Co)

A more relevant document addressing recent accounts of antisemitism offers condolences to the Jewish community. **(Referred to Student Life. Amended and passed in Student Life 02.24)**

- Opening Statement:
  - It came to my attention that there were students who had defaced **(RECORDING INAUDIBLE)** it was saying that there were anti semitic **(RECORDING INAUDIBLE)**. A couple weeks prior, there was a tabling event **(RECORDING INAUDIBLE)** #YeisRight and this is condemning the recent antisemitism on campus. We kept rewriting this bill because there were just more and more act of antisemitism on campus and around the country and it was really hard to write this.

- **DuChêne moves to amend, striking highlighted words. Widmann seconds.**
  - **A senator objects.**
  - **The sponsor does not withdraw the Amendment.**
  - Opening Statement on the Amendment:
    - Hi everyone, I appreciate your time and consideration in my amendments, the resolution is extremely important, which is why I felt it was important that the language be very clear, very concise, as well as not containing any redundant language. This specific amendment strikes language that was added back into my original amendment, the only thing that was taken out was specifically other marginalized groups. Of course condemning attacks against other marginalized groups is very important, but one thing that I discovered that I didn’t know until I got involved with Jewish organizations is that so often we condemn antisemitism, folks on the left feel the need to condemn other acts of hatred as well, when, really we should be condemning antisemitism and antisemitism only. Of course we can offer support to other marginalized groups, but rarely do acts of hate against marginalized groups include those caveats. I think that it’s important that we can offer our support to the Jewish community and be okay with just doing that. I just feel like everything I’m striking is redundant language.
  - General Questions:
    - Widmann to the sponsor of the resolution: Do you think that the university administration has taken enough

steps to say they have made an effort to reduce antisemitism on campus?

- **(RECORDING INAUDIBLE).**

- First round of Pro:
  - Folwell: The sponsor is knowledgeable and I trust them. If this is something we can better support them in, then I think we should pass this.
- First round of Con:
