- Jason Announcement: Got a lot of compliments about Day at the Capitol! ○ “Thank you to everyone who participated.”

- Business Item: Voting on Resolution #28

- Alexis - I believe this bill is important.

- Omer - In favor of adding this, as students this care plays a huge role in mental health which affects your collegiate career.

- Zorrian - This affects students' education and livelihood

- Brayden H. - Supports bill because it's about protecting children.

- Alexis - I don't believe that all of this is correct and this bill affects adults too. Adults won't be able to change their gender on their birth certificate and receiving gender affirming surgeries are a long process.

- Melanie - People should be able to express themselves comfortably in school. Being comfortable allows you to show up to school and be successful.

- Zorrian - Students in postsecondary education are adults and we should be voting with that in mind.

- Brayden H. - Sponsors said this bill does not apply to the clothes people wear or the mental health resources they access.

- Voting on Resolution #28

- Jason - No ○ Omer - Yes ○ Alexis - Yes ○ Brayden H. - No ○ Natasha - No ○ Melanie - Yes ○ Eric - No ○ Zorrian - Yes ○ Lauren - No
