- **Preliminary Questions:**

- Asking for: \$650 for Clothing & Awards (50 t-shirts)
- Date Request Submitted: 2/9/23
- Date of Event: Market Wednesdays and GBMs
- Number of Active Members: 50
- Number expected to come: 50
- Fundraised: \$0

- **Notes of the Event/Item:**

- Opening:

- The treasurer for Audio Production club came two weeks ago for funding for tshirts. Their main issue was coming in over budget for each individual shirt at \$12, they are now coming in at around \$8 per shirt.
- Questions:
 - The picture you uploaded doesnt have a price?
 - Chair Wyatt: The invoice is separate should I drop it in the chat?
 - RSO Representative: Yes
 - Is there an email I can send it to or share screens?
 - Yes, send the quote to the email.
 - Chair Wyatt: Only sizes small through large?
 - RSO Representative: Yes, thats all our members needed
 - Chair Wyatt: How are you passing the shirts out?
 - RSO Representative: Tabling on landis and potentially market wednesday.
 - Mausam: you said it suited the needs of members, are these shirts not for general student body?
 - RSO Representative: We prioritized saving money, we haven't encountered anyone with additional sizes interested in our club. It didn't make sense when we were drafting up our quote.
 - Chair Wyatt: Here, I will pull up the recommended breakdown for student sizes. Here is the financial manual. Typical breakdown requires 24% small,, 32% medium, 32% large, 10% X Large, 2% XXL, you guys should be providing shirts bigger and you should be providing two additional quotes in addition to full press. Even if those quotes do not fall in the pricing guideline, it is helpful for comparison. If you guys want to submit an additional request with the correct breakdown and additional quotes that would be best.
 - RSO Representative: Okay will do.
 - **Daniel Ellison motioned to enter roundtable discussion, second by Julio Cesar Borges.**
- Roundtable:
 - Daniel Ellison: is it they have to present three quotes?
 - Chair Wyatt: Yes
 - RSO Representative: I thought you guys had the ones from the last application, thats our bad.
 - Chair Wyatt: If you get the quote in by friday at noon you can have access to funding by the end of next week. Senate will be strict about following SGA statutes.
 - Julio: just bring the other quotes and we should be able to get you all sorted out. Theres nothing egregiously wrong, just aim to stay in the sizing guidelines.

- RSO Representative: Definitely.
- Chair Wyatt: \$10 for sizes small-xl and \$12 for xl and above so there is flexibility. The SGA guidelines are outdated online.
- **Julio Cesar Borges motioned to zero fund, seconded by Mausam Jariwala.**
 - Closing: Waived.
 - Vote to zero fund:
 - Yay: Jackson Boisvert, Mausam Jariwala, Daniel Ellison, Julio Cesar Borges.
 - Nay: None

- **Preliminary Questions:**

- Asking for: \$200 for Clothing & Awards (25 t-shirts)
- Date Request Submitted: 2/9/23
- Date of Event: NA
- Number of Active Members: 25
- Number expected to come: NA
- Fundraised: \$0

- **Notes of the Event/Item:**

- Opening:
 - My name is Renee Donn I am the treasurer for Minorities in Public Health, our purpose is to serve minority groups in the fiipb h and give information about public health and provide community service. Coming to get funding for name tags for 12 eboard members and tshirts. This is the only quote that was accepted for name tags, and I have 2 additional quotes for tshirts. These tshirts are for our members to feel more included. There are 25 shirts for each size that we have here.
- Questions:
 - Chair Wyatt: How many tshirts are you ordering?
 - RSO Representative: It should be 25 in total on fullpress.
 - Chair Wyatt: In your other quote was it also 25?
 - RSO Representative: The other quote was for more than 25, we have 25 for each size.

- Chair Wyatt: Is there a reason for the disparity? How many shirts total do you want to buy?
 - RSO Representative: 25 is the total amount we want to buy.
- Julio Cesar Borges: are the shirts all one size or do you have a breakdown
 - RSO Representative: We have a breakdown on this quote.
- Daniel: Are you aware that we cannot fund more than \$10 for small-xl and \$12 for above?
 - RSO Representative: No I was not aware of that.
- Mausam Jariwala: Are the shirts only for members?
 - RSO Representative: Yes
- Chair Wyatt: Would it be available for anyone not a member?
 - RSO Representative: No, it only goes to those who pay dues.
- How many members do you have?
 - RSO Representative: 21
- **Daniel Ellison motioned to enter roundtable discussion, second Julio.**
- Roundtable:
 - Julio Cesar Borges: unit price for the shirts is almost double what we are allowed to fund. Are we allowed to partial fund?
 - Chair Wyatt: Yes we can fund up to the amount we are allowed to. We are not allowed to fund things only going to club members.
 - Julio Cesar Borges: That's another thing, I don't think we can.
 - Mausam Jariwala: Also the full press quote isn't correct because we don't know what sizes they're getting. Because it's only going to members I don't think we can fund them.
 - Daniel Ellison: can we fund the nametags only going to members?
 - Chair Wyatt: I think maybe?
 - Vice Chair Boisvert: maybe?
 - Julio Cesar Borges: I pulled up an example, because it is limited to only members it becomes likely to get vetoed.
 - Chair Wyatt: As you can see the statutes are very strict. Everything you have requested is only going to club members which we aren't allowed to fund. It must be available for the student body as well. All that info can be found in the statutes and the financial manual. Nametags is also something we cannot fund because it is only available to executive board members.
 - **Daniel Ellison motioned to zero fund, seconded by Julio Cesar Borges.**
- Closing: Waived.
- Vote to zero fund:
 - Yay: Daniel Ellison, Julio Cesar Borges, Mausam Jariwala, Jackson Boisvert

- **Preliminary Questions:**

- Asking for: \$1,000 for Contractual Services
- Date Request Submitted: 2/9.23
- Date of Event: 3/25/23 at 7:30 in Dohnanyi Recital Hall
- Number of Active Members: 5
- Number expected to come: 175
- Fundraised: \$0

- **Notes of the Event/Item:**

- Opening:
 - Our mission is to bring more classical guitar awareness to FSU and Tallahassee. In the past, we hosted our annual guitar festival at FSU partially funded by SGA. We attracted over 200 people and had people fly in from as far as Germany. For that festival, we brought in guest artists from across the country and couldn't bring in one guest because of a hand injury. We need funding to bring him back, he is an award winning guitarist from Columbia. He is very well known, bringing him will attract a ton of attention.
- Questions:
 - Chair Wyatt: Do you have an actual confirmation of how much he costs?
 - RSO Representative: Did you not get one when we submitted?
 - Chair Wyatt: I only have the google doc with the overview.
 - RSO Representative: I can find it but it might take time, I can get that to you as soon as possible.
 - Julio Cesar Borges: When is the date you want the artist to perform?
 - Daniel Ellison: Was it march 25?
 - RSO Representative: Yes, I believe so.
 - Mausam Jariwala: You said you couldn't bring him to the last event, did you know he couldn't come before or after senate approved funding?
 - RSO Representative: He was a separate thing, he wasn't one funded by senate. We would like to bring him back.

- Daniel Ellison: What is the goal of this event?
 - RSO Representative: It's going to be held at the college of music. The artist will offer a masterclass and performance open to the public. Anyone can come see. He will be sharing information on classical guitar as well as a public concert.
- Mausam Jariwala: How will you be advertising?
 - RSO Representative: Social media and flyers around local music stores in Tallahassee.
- Daniel Ellison: this quote for \$1000 compensation came from your communications chair? Does he have anything in writing?
 - RSO Representative: Yes. He does have it.
 - Chair Wyatt: We need that confirmation for approval.
- Chair Wyatt: Is this event free for everyone?
 - RSO Representative: yes, I need 10 minutes to hear back.
 - Chair Wyatt: Okay. I will put you into the breakout room. We will go to the next request while we wait. Now we're back.
- RSO Representative: This is the forwarded email with the invoice attached.
 - Chair Wyatt: I didn't realize that was the official invoice, that is all set from me.
- Julio: Have you guys done any fundraising for this event?
 - RSO Representative: We have done a few fundraising concerts with tips.
 - Daniel Ellison: Could you host another fundraiser soon to help fundraise for this event? It feels like there is a lot of interest.
 - RSO Representative: We could potentially do that in the future.
- **Julio Cesar Borges motioned to enter roundtable discussion, seconded by Daniel Ellison**
- Roundtable:
 - Daniel Ellison: POI to the RSO Representative, how long will the artist be at the event?
 - RSO Representative: Pretty much all day.
 - Daniel Ellison: Because the event is pretty far away, maybe we can partially fund and allow them to fundraise in the meantime. I don't want a severe cut, but maybe a few hundred dollars.
 - Julio Cesar Borges: I'm not opposed to that, I think they have plenty of time. The event sounds like a good idea in general.
 - **Motion to amend by Daniel to \$800 for the Contractual Services Category. Seconded by Julio Cesar Borges**
- Closing:
 - We are fine with \$800

- Vote:
 - Yay: Daniel Ellison, Julio Cesar Borges, Mausam Jariwala, Jackson Boisvert.

- **Preliminary Questions:**

- Asking for: \$203.25 for Food, \$835.20 for Clothing & Awards (60 t-shirts)
- Date Request Submitted: 2/9/23
- Date of Event: 3/4/23 at 9am at Unconquered Statue
- Number of Active Members: 56
- Number expected to come: 50
- Fundraised: \$29,350

- **Notes of the Event/Item:**

- Opening:
 - Camp Kesem is a non-profit organization to fund a camp experience for kids with cancer. We are planning for a 5k on March 4th 9am-11am on campus. We have several item request breakdowns from Costco, Publix, and Walmart. We are asking for funding for snacks (goldfish, bananas, etc) and drinks. Of the quotes, Walmart is the cheapest option. We are also hoping to receive funding for 60 t-shirts. We will be posting promotional info on social media to advertise the event.

- Questions:

- Mausam Jariwala: Do you have a picture of the shirt design?
 - RSO Representative: Yes, this is it on the screen.
- Chair Wyatt: Is the event free for FSU Student?
 - RSO Representative: No, we will be charging \$15 per ticket and \$20 per shirt
 - Chair Wyatt: According to FSU Statutes, PAC funding cannot be provided to events that charge an entrance fee for FSU Students. We can cover the shirts, but we need to ensure the event is free for all fsu students, is that something that can work?
- RSO Representative: Can we do free attendance and shirts and raise money separately?

- Chair Wyatt: Yes, that would be perfectly fine
- RSO Representative: We can do that, 100%
- Daniel Ellison: Which is your desired quote for the shirts?
 - RSO Representative: Full press
 - Chair Wyatt: We can only fund up to \$12 for 2XL, so that extra 30 cents would come out of pocket.
 - RSO Representative: That's fine.
- Daniel Ellison: What was your desired vendor for the food?
 - RSO Representative: Costco.
 - Chair Wyatt: We would have to amend the amount for T-shirts, we wouldn't have to amend to fund the Publix order.
- Mausam Jariwala: The amount of shirts is different on the different quotes, would it be okay if we could only fund for 50 shirts instead of 60?
 - RSO Representative: Yes.
- **Julio Cesar Borges motioned to enter roundtable discussion, seconded by Daniel Ellison.**
- Roundtable:
 - Daniel Ellison: So we want to go with publix and only fund \$12 for double XL?
 - Chair Wyatt: Yes
 - Julio Cesar Borges: When was the event?
 - Daniel Ellison: March 4th.
 - Julio Cesar Borges: Does this fall within the 21 day period?
 - Chair Wyatt: Yes, they will be fine. But, do we want to go off of 50 shirts? We can do clothesline if we wanted to do that instead.
 - Mausam Jariwala: Yes
 - Chair Wyatt: POI to the representative, do the shirts have paid for by SGA on them?
 - RSO Representative: Yes
 - **Motion to amend by Daniel Ellison to \$203 for the Food Category and \$502 in the Clothing and Award Category. Seconded by Mausam Jariwala.**

- **Preliminary Questions:**

- Asking for: \$5,630 for Expenses, \$3,550 for Clothing & Awards
- Date Request Submitted: 2/10/23
- Date of Event: 3/25/23 from 12pm-12am at Student Union Ballrooms
- Number of Active Members: 432
- Number expected to come: 700+
- Fundraised: \$102,784

- **Notes of the Event/Item:**

- Opening:
 - Relay for Life is a fundraiser that raises money for cancer research and current cancer patients. We aim to bring the community together and cause lasting change. At FSU the student body benefits by receiving both entertainment and fundraising experience. Our event is free for anyone. Our event centers around the stage for programming that requires audio and video equipment. Without a sound system and video screens we would not be able to host our event. We advertise through word of mouth, instagram, tabling, etc. to ensure maximum outreach. We are rebuilding this year in response to covid, but we have already received great involvement. Other philanthropy events offer tshirts as incentives and we would like to do the same. Our goal is to honor and remember loved ones who have suffered from cancer and to provide education.

- Questions:

- Daniel Ellison: How many fsu students do you expect?
 - RSO Representative: In the past we have seen 700, but this year we expect 800 or more because our event is inside. Currently we have +500 people registered.
- Chair Wyatt: You are just asking for audio/visual in the line item correct? Does FSU not have that equipment available?
 - RSO Representative: No, they only have a stage so far.

- Daniel Ellison: Where was this event held last time?
 - RSO Representative: At the old IM Fields
- Mausam Jariwala: How many people can the ballrooms hold?
 - We don't know, but we can hold up to 60 tables which should hold all our teams.
- Julio Cesar Borges: Have you done any fundraising to cover the event?
 - RSO Representative: No, 100% of our fundraising goes to the American Cancer Society. No budget for production costs.
- Chair Wyatt: Why did you decide to go with the second quote?
 - RSO Representative: We've always used that company for the event and we've heard it is what they used in the ballrooms. We would be more than happy to use the other quote. The American vendor gives us 25% off because of our charity status. They have always been our top choice and know how our event runs.
- Chair Wyatt: Does the tshirt have the SGA logo on it?
 - RSO Representative: Yes
- Daniel Ellison: What was the thought process for choosing full press?
 - RSO Representative: Same as before, our advisor said to use full press as the preferred vendor. We are happy to use any of the quotes.
- Julio Cesar Borges: You are expecting at least 700 people at the event? Have you offered t shirts in the past?
 - RSO Representative: Yes to the first question. No we have not. We used to have to request more for the IM Fields but this year the cost is lower for the ballrooms and stage. Last year there were weather difficulties so this is our rebuilding year. We are #9 in the country in terms of success for our organization.
- **Julio Cesar Borges motioned to enter roundtable discussion, seconded by Mausam Jariwala.**

■ Roundtable:

- Mausam Jariwala: Since they've already worked with American we can keep that but use the other tshirt quote because it's cheaper.
 - Julio Cesar Borges: I agree.
- Daniel Ellison: Is there a difference in quality for vendors?
 - Chair Wyatt: It sounds like because the union typically uses the American company, I would be comfortable funding it.
- Chair Wyatt: The total for American is \$5630, for tformation it is \$2542.50.

- **Motion to amend by Daniel to \$5630 for the Expenses Category and \$2543 in the Clothing and Award Category. Seconded by Mausam Jariwala.**
- Closing:
 - Thank you for hearing us out. I think this year will be the best we've seen in a long time. Thank you so much.

- Number of Active Members: 30
- Number expected to come: 250
- Fundraised: \$500
- A&S Funds: \$200 from Organizational Fund and \$977 from PAC

○ **Notes of the Event/Item:**

- Opening:
 - We are looking for a venue for our show. The price worked out to be \$3.75 per audience member. The mainstage space hold around 100 seats. All on campus spaces available to RSOs unfortunately were taken for the couple weeks we would have our show. Our goal as an organization is to put on great shows for the audiences, our last show had around 250 audience members (mostly FSU students). We also want to provide a strong educational experience for our students as we are student run. We would love to be able to put on our show in this space if given the funding.
- Questions:
 - Julio Cesar Borges: Is \$750 for the total event?
 - RSO Representative: Yes, and the event is free to attend.
 - Daniel Ellison: What is your expected attendance?
 - RSO Representative: 230-250 people.

- Chair Wyatt: How will you be advertising?
 - RSO Representative: Social media, flyers, and market wednesday. This will include SGA acknowledgement.
 - Daniel Ellison: How have you utilized your funds raised?
 - RSO Representative: It's been tricky for us to get funds because we aren't a service organization, we haven't fundraised this year. We had to use it for our event last year because our venue cancelled last minute.
 - Daniel Ellison: What did you request funding for in the past?
 - RSO Representative: \$400 for food for one of our past shows, the second request was \$550 for t shirts.
 - **Julio Cesar Borges motioned to enter roundtable discussion, seconded by Daniel Ellison**
- Roundtable:
 - Julio Cesar Borges: This venue is cheap and holistic. It sounds good to me.
 - **Daniel motioned to fund \$750 for the Expenses Category. Seconded by Julio Cesar Borges**
 - Closing:
 - Thank you this really means a lot. We've loved utilizing PAC as a resource for our organization as we have struggled in the past with funding. PAC has been really helpful for our organization. Thanks again.
