Land Acknowledgement:

- **Bettley:** The Student Government of Florida State University acknowledges that it is located on land that is the ancestral and traditional territory of the Apalachee Nation, the Miccosukee Tribe of Florida, the Muscogee Creek Nation, and the Seminole Tribe of Florida. We pay respect to their Elders past and present and extend that respect to their descendants and to all Indigenous people. We recognize this land remains scarred by the histories and ongoing legacies of settler colonial violence, dispossession, and removal. In spite of all this, and with tremendous resilience, these Indigenous Nations have remained deeply connected to this territory, to their families, to their communities, and to their cultural ways of life. We recognize the ongoing relationships of care that these Indigenous Nations maintain with this land and extend our gratitude as we live and work as humble and respectful guests upon their territory. We encourage all to learn about and educate others on the contemporary work of the Indigenous Nations whose land we are on and to endeavor to support Indigenous sovereignty in all the ways that we can.

Its mission encourages progressive ideas on various subjects that anyone in community can come and take/teach these classes all for free. If that sounds interesting to you at all, my name is Trevor Murray and please message me – I would love to get you involved and get this thing back on its feet.

- *Unable to attend until next week.*

Jake DeChick – 74th Student Senate, Business Seat 4 (2 applicants)

- Opening Statement:
  - Thank you everyone for coming. Thank you to everyone for being a big part of this process. I've seen a lot of students in the past week and accepted to be appointed by the Senate. I want to make as much change as possible during my time in Senate. I want to listen to anyone, so if there's anyone who would like to reach out or any legislation you need help on I would love to learn and be a part of the process.

Tyler "TJ" Hocket - 74th Student Senate, Engineering Seat 1 (1 applicant)

  - Hello everyone. I'm a freshman here at FSU. Ever since I got here, I felt welcome and know a lot of people who have already made an impact. I appreciate everyone's help. **RECORDING INAUDIBLE** (00:18:08). My father graduated from FSU in '91 and left a big legacy - I hope to fill his shoes and make connections while meeting great leaders.

*To both candidates:*

- Technical Non-Debatable Questions:
  - Stewart to both candidates: Are you financially certified?
    - Both, yes.
- General Questioning:
  - Drackley to both candidates: Do either of you have any specific goals in mind within Senate
    - Candidate Hocket: Being in the College of Engineering, it's sort of an island as it's off-campus. I realized it was hard to fit in because its off-campus and I hope to be that bridge and connect both places.
    - Candidate DeChick: I would like to bring more awareness of **RECORDING INAUDIBLE** (00:20:12). I was great to hear that the Masters of Business Administration have an association and are doing stuff outside of campus with giving back to the community. Before I was in college, I was in Boy Scouts of America that taught me how to give back to the community. I hope to use my time in Senate to give back to Tallahassee, businesses, etc.
  - Diaz to candidate Hocket: Do you have enough credits to qualify for the College of Engineering?
    - Yes, I currently have 61 credits which exceeds the threshold.
  - **Wang moves to forward the candidates individually, Rivers seconds.**
    - **No objections.**

- Closing Statements:
  - Candidate DeChick: I forgot to introduce myself, my name is Jake DeChick. I can't wait to meet every single one of you guys. I hope to meet everyone because I think it takes many people to solve an issue from various backgrounds. There are many issues I don't believe people bring up, but the goal of the FSU Student Senate is to provide solutions.
  - Candidate Hawking: STEM majors can be pretty unapproachable, but I hope to be a Senator and friend. If anyone has any questions, I am most certainly available.

    - 34 yes, 3 no, 0 abstentions.

Consent Calendar:

CR 12                      Sponsored by Senator Rider (P)  
To fund the National Council of Negro Women.

*Senate in ‘Finance as a Whole.’*

- Opening Statement:
  - Rider: The line item requesting funding for is ‘other’ which is mileage for a bus. Original request was \$7,079.95 so we did bring them down to \$2,500. This is a great rate. They are taking 56 members and using a charter bus rental we recommended from the FSU Financial Manual. They are leaving on March 25<sup>th</sup> and coming back on March 27<sup>th</sup>. Again, this is a great opportunity as all will be able to go. We also had the FSU Flying High Circus request a large number for 56 members to get a bus where we provided \$2,500 – this is how we came up with \$2,500. We did bring them down a lot. They were unable to go on this because of COVID-19. The National Council of Negro Women does so much on-campus such as building houses and extensive outreach. I ask Finance to fund them fully for this amount.
- Technical Non-Debatable Questions:
  - Wang: Where are they going

- They are going to the NOLA Community Service Trip to attend a seminar and network. They are a national club where they will be talking to other members at this seminar.
    - Bettley: Is this open to all students?
      - Yes, they did a phenomenal job advertising on Instagram and numerous other methods.
  - First Round of Pro:
    - B. Suarez: I sat in on this meeting and fully supporting this Consent Resolution. Seeing as they opened to the entire body, I see no reason why we shouldn't fund this line item.
    - Tucker: This is a great organization; they do phenomenal things on this campus. The price is reasonable so I will be fully funding this organization.
  - First Round of Con:
    - No speakers.
    - **Wang moves to call the question, Pfeuffer-Ferguson seconds.**
      - **No objections.**
      - **The question is called.**
  - Closing Statement:
    - Rider: I also want to acknowledge that the National Council of Negro Women has ever received funding from RTAC or SGA funding. This is a great opportunity to build a connection with them. We are nothing without the support of RSO's.
  - Voting Results:
    - **31 yes, 0 no, 1 abstention.**
    - **Consent Resolution 12 passes.**
- *Senate leaves 'Finance as a Whole' and moves back into Consent Resolution 12.*
  - Opening Statement:
    - Rider: Again, this is an extraordinary organization. They have spent a lot out of pocket proving their desirability to go on this trip. They have done past fundraising and didn't get accept at this number, rather accepting to do extra fundraising to ensure that they could go. This event will allow them to educate their members and the student body as a whole.
  - Technical Non-Debatable Questions:
    - No speakers.
  - First Round of Pro:
    - No speakers.
  - First Round of Con:
    - No speakers.
    - **Gonzalez moves to call the question, Pfeuffer-Ferguson seconds.**
      - **No objections.**
      - **The question is called.**
  - Closing Statement:
    - Rider: Thank you so much. I enjoyed working with this RSO and look forward to seeing what they will do in the future.

- **Voting Results:**
  - **32 yes, 0 no, 0 abstentions.**
  - **Consent Resolution 12 is accepted.**
- **Wang moves to approve Consent Resolution 12, Powell seconds.**
  - **No objections.**
  - **Consent Resolution 12 is approved.**
- *Senate moves into 'Bills First Reading.'*

CR 13

Sponsored by Senator Roy (P)

To fund Dominican Student Association, Arab Student Union, and The Renegade Leadership Honor Society.

- Opening Statement:
  - Roy: Thank you and good evening. I am the Chair of PAC – a funding organization that helps organizations around campus. On Tuesday we met and heard six different organizations, tabled three organizations and are hearing them in the coming weeks with updated quotes ensuring fiscal responsibility. We funded the Dominican Student Association, and Arab Student Union – both for t-shirts We also funded the Renegade Leadership Honor Society which was tough as they were requesting funding for three different events, one of which costing \$5,000. We were not able to fund that but were able to work with them on their requests such as **RECORDING INAUDIBLE** (00:35:52) which will be March 5<sup>th</sup> on Langford Green with numerous activities. This goes to \$136 for food as an incentive. They will also be having an Induction/Reception on March 27<sup>th</sup>. Food will be \$384 and decorations \$213 – will be open to the student body and are inviting as many to attend as possible.
- Technical Non-Debatable Questions:
  - Rider: Has PAC previously funded any of these organization?
    - Yes, PAC has funded the Renegade Leadership Honor Society for this fiscal year for a different Induction/Reception they had last semester.
- First Round of Pro:
  - Tucker: I was fortunate to sit on PAC. As always, they were very thorough in ensuring that the Renegade Honor Society was very thorough. I will be supporting this.
- First Round of Con:
  - No speakers.
  - **B. Suarez moves for unanimous consent.**
    - **No objections.**
    - **Consent Resolution 13 passes by unanimous consent.**
- **Wang moves to exit 'Finance as a Whole,' Pfeuffer-Ferguson seconds.**
  - **No objections.**
  - **Senate exits 'Finance as a Whole.'**

- *Senate exits 'Finance as a Whole.'*
- **Gonzalez moves to accept the decision of committee of Consent Resolution 13, Pfeuffer-Ferguson seconds.**
  - **None.**
  - **Consent Resolution 13 is accepted.**
- *Senate moves back into Consent Resolution 12.*

#### Bills First Reading:

- Bill 14                      Sponsored by Senator Wang & Senator Gonzalez (P) Senator Bettley (Co)  
Creating a stipulation that only senators financially certified by the time the Budget is voted on may vote on the bill.
- Bill 15                      Sponsored by Senator DuChêne (P) Senators Barker, Beall, Bettley, Bowling, Diaz, Fronczak, Gonzalez, Lessard, Little, Myers, Nemeth, Pfeuffer-Ferguson, Rider, Rivers, Roy, Russell, Stewart, Soares, Suarez, Tsouroukdissian, Tucker, Wang, Weintraub (Co)  
Increasing internal accountability by closing statutory loopholes surrounding how long Student Senators may remain suspended for not being financially certified.
- Bill 16                      Sponsored by Senator Rivers (P)  
To transfer the power of Director of Homecoming Chief and Princess to Homecoming Executive Council. Also, to give Homecoming the power of planning Homecoming Chief and Princess Election.
- Bill 17                      Sponsored by Senator Murray & Senator Suarez (P)  
Amending the Election Code to expand its enforcement period.
- Bill 18                      Sponsored by Senator Murray & Senator Suarez (P)  
To amend the Election Code to release candidates and political parties from legal responsibility when the Supervisor of Elections approves campaign materials and clothing that are later found to be in violation of the Election Code.
- Bill 19                      Sponsored by Senator Murray & Senator Suarez (P)  
To amend the Election Code to narrow its scope of enforcement to only candidates, political parties, and party members.
- **Wang moves to send a Bill to 'First Reading.'**
    - **Becomes Bill 20.**

#### Bills Second Reading:

- Bill 9                        Sponsored by Senator Russell (P)  
To aid the Executive Cabinet's Chief of Staff with the Candidate Search and Candidate Screening Process by allowing the Secretary of Appointments to also conduct interviews. **(Referred to Judiciary. Passed in Judiciary 2.8. Remanded to Judiciary 2.9. Tabled in Judiciary 2.15. Amended and Passed in Judiciary 2.22.)**

- Opening Statement:

- Russell: There was an initial problem as Secretary of Appointments is not enumerated. The language has been revised to be broader in aiding the candidate's screening process where the Chief of Staff will have one designated person to do this. The intention is for whoever is Secretary of Appointments to conduct this as they are closely related to the planning process. This would speed up the process of getting people in, in addition if there is a conflict of interest with the Chief of Staff there is currently no other option for anyone to interview them. It's straightforward – I just think it will help get people in this process.
- Technical Non-Debatable Questions:
  - No speakers.
- First Round of Pro:
  - Diaz: Being in Internal Affairs we know that the appointment process can take a long time and understand that the Chief of Staff may have a very busy schedule. This Bill simply streamlines that process and makes it easier for others to become involved and to resolve conflicts of interest.
- First Round of Con:
  - No speakers.
  - **Pfeuffer-Ferguson moves to pass by unanimous consent.**
    - **Murray objects.**
  - **Murray moves to pass by unanimous consent.**
    - **No objections.**
    - **Bill 10 passes by unanimous consent.**

Bill 11

Sponsored by Rivers (P) Bettley, Gonzalez (Co)

To require Homecoming and the Student Alumni Association to release the voting results for Homecoming Chief and Princess one (1) business day after the winners are announced at Homecoming Live. **(Referred to Student Life and Judiciary. Student Life did not meet. Amended and Passed in Student Life 2.17. Amended and Passed in Judiciary 2.22.)**

- Opening Statement:
  - Rivers: This Bill is very straightforward it just requires Homecoming to release the results of Homecoming Chief and Princess as the results are currently not public knowledge. This bill will make it that the following Monday the results will be posted on the SGA website. The following Wednesday, the Director of Homecoming will come to Senate to give the official results – the first results will be unofficial.
- Technical Non-Debatable Questions:
  - Little: Was the current Homecoming Council Administration contacted?
    - Yes and they are in full support.
- First Round of Pro:
  - Roy: Clearly they want to do this if they support it, but just in a general sense we should definitely be doing this. We should make this a more transparent process and encourage others to be involved.

- First Round of Con:
  - Pfeuffer-Ferguson: I have a reservation with this Bill - imagine being the one at the bottom of the poll. I can't stand by such a toll on an individual's mental health.
  - **Tucker moves to call the questions, Stewart seconds,**
    - **No objections.**
    - **The questions is called.**
- Closing Statement:
  - **Defers to Co..**
  - Gonzalez: All of the Homecoming budget comes from SGA which means that we go all over all of the process of Homecoming. All the SGA servers and processors are used to conduct the Homecoming elections which gives a full authority to implement **RECORDING INAUDIBLE** (00:55:47). I understand the reservations, but the point is to make this in-line of all SGA elections. I think this increases transparency which people would prefer to see. Our job is to ensure transparency and that's all we have control over.
  - Rivers: That's a bad thing that comes in elections in general. Numbers are tallied and somebody loses and wins. This is just a thing that needs to happen.
- **Voting Results.**
  - **25 yes, 10 no, 1 abstention.**
  - **Bill 11 passes.**
- **Diaz moves to unlock the calendar to Resolution 15, Hawtright seconds.**
  - **No objections.**
- *Senate moves to Resolution 15.*

Bill 12                      Sponsored by Senator Gonzalez & Senator Wang (P)  
 Revising the statute regarding the amount of money that shall be funded to an organization in the category of lodging. **(Referred to Student Life, Finance, and Judiciary. Passed in Student Life 2.17. Finance did not meet 2.22.)**

Bill 13                      Sponsored by Senator Wang (P) Senators Gonzalez, Duchene, Bettley, Rivers, Little, Pfeuffer-Ferguson, Murray, Diaz (Co)  
 Explicitly stating that A&S monies may not be used to fund weapons and harmful materials outlined in the Student Conduct Code. **(Referred to Budget and Judiciary. Passed in Budget 2.22.)**

- **Point of Order: Wang: Bill 13 was also passed in Judiciary unamended meaning that it should be heard on the Floor this evening.**
- Opening Statement:
  - Wang: This is a revision of the Finance Code and something that I noticed was not in Statues. Do not mention anything about funding – or restricting funding – weapons in Statutes. I took the text directly from the Student Conduct Code so anything that you see there, is directly from the Student Conduct Code – A University policy. There was a stipulation about campus recreation as some clubs utilize who receive funding utilize these weapons for sport. This allows them to get funding

under PAC, RTAC, Budget (whatever that may be) while permitting them to use those materials for their sporting use.

- Technical Non-Debatable Questions:
  - No speakers.
- First Round of Pro:
  - No speakers.
- First Round of Con:
  - No speakers.
  - **Pfeuffer-Ferguson moves to pass by unanimous consent.**
    - **No objections.**
    - **Bill 13 passes with unanimous consent.**

- Resolution 14                     Sponsored by Senator Lessard (P) Russell (Co)

Congratulating Dr. Richard McCullough on his Investiture as the 16th President of Florida State University. **(Referred to Student Life. Passed in Student Life 2.17.)**
- Opening Statement:
    - Diaz: Hello Senate. I know I don't have to explain this resolution to that many of you. The inauguration is this Friday (2/25) and we are planning on presenting this Resolution to him this Friday – we cannot present a Resolution that has not been adopted by this Senate. Dr McCullough is a national figure in the American education field. If you haven't seen the calendar of events for the Inauguration, the President and Provost of Harvard University are going to be here, proving the magnitude of a figure that President McCullough is. These transitions do not happen often and I think that it is incredibly important that we mark history with this Resolution. Thank you for your time.

- Technical Non-Debatable Questions:

Resolution 17      Sponsored by Senator Duchêne & Senator Pfeuffer-Ferguson (P) Bettley, Diaz, Gonzalez, Little, Myers, Rivers, Russell, Wang (Co)  
 Condemning the passage of the Florida Legislature's "Don't Say Gay" bill, and reaffirming our support for the LGBTQ+ community.

Resolution 18      Sponsored by Senator Murray & Senator Suarez (P) Wells (Co)  
 To give an option for Statements of Dissent to be read aloud during Student Senate meetings.

Unfinished Business: None.

Statements of Dissent: Pfeuffer-Ferguson must lodge one a Statement of Dissent by Friday (2/25) 8:00am.

- **Pfeuffer-Ferguson:**
  - Good evening President Hunter and Pro-Tempore Nemeth,  
 I want to formally dissent from the Senate's decision to pass Bill 11. During my time at Florida State, I have seen what elections can do to people, especially those who have lost their election. I completely understand the transparency of elections when it comes to Student Government, as we serve the student body and we are expected to be transparent in the work that we do. When it comes to Homecoming Court, this is a social activity and usually has a higher turnout for elections. I can only imagine how the student at the bottom of the election results would feel if they were to see that they received only a fraction of the votes when they expected to do better. Homecoming already releases the top three for each gender that is running for Homecoming Court, which I feel is already transparent enough. As someone who actively advocates for the mental health of my peers, I feel it is necessary for me to stand in opposition to this bill, especially considering I have been told that members of the Student Alumni Association were not informed about this bill.

New Business:

Unofficial Election Results

- **Wang moves to Recess until the election results are received, Weintraub seconds.**
  - **No objections**
  - **Senate moves into Recess.**

- **Recess ends at 8:43pm.**
- Supervisor of Elections: Good evening, everybody. I hope you all had a nice election day. I would like to thank everyone for participating in this election. FSU SGA is representative of the country as a whole, so all of you who participated showed what democracy in action looks like and I thank you. Before I say the results, I would like to announce that **RECORDING INAUDIBLE** (01:07:05) are due this Friday (2/25) – which consist of campaign contributions, and any payments or expenses paid by any candidate or political party. If there are any issues with the statement, they must be completed by Monday (2/28). Friday (2/25) is the last day to file any election violations against a candidate or political party. Finally, make sure to remove all campaign materials within 36 hours, from now – including any signs, advertisements, social media advertisements, or anything labeled ‘campaign material.’ They must be removed by Friday (2/25). If you have any questions, please ask me or the Deputy Supervisor. I also want to say a quick thank you to everyone involved in this election – it would be impossible to pull off without your support. I want to thank the Deputy Supervisor. This has been his first semester in the Elections Office and he already helped me format the debate, post the candidates’ seminar, and excel in multiple things that will help the Elections Office in the near future. I would also like to thank Jacalyn - who kept me grounded and sane throughout this entire election cycle – and Ben Young for being a great webmaster. I’d like to thank the IT Department for creating a brand-new election system that saves time and headaches which is fantastic. Finally, I’d like to thank the Elections Commission for listening to me. All of you have made this election possible, and their hard works and contributions should be recognized – I couldn’t be able to do my position without you guys.
