**Purpose of funds:** Alternative Spring Break Interest Meeting I was one of the organizers of the Alternative Spring Break this year along with Peyton Smith, and we were trying to see if we could partner with BLSA, SBA, or PILSA to co-host this event along with AIRR. The 14 students who went on the trip had some eye-opening experiences, and a debrief over a lunch meeting could be a great way to share experiences while getting the next group who goes in 2023 motivated to apply. Each student able to attend the meeting will share some of the experiences they had and things they learned, so that students who did not consider applying this year will be motivated to apply next year so we can keep the ASB tradition going.

**Purpose of funds:** Refugee Field Day is an annual event which engages the immigrant and refugee community of the Big Bend region of Florida. The event is targeted to children, so that they can interact with one another and enjoy lunch, arts and crafts, and games. The food will be catered from Mayuri Indian Restaurant, since we wanted to provide a Halal-approved food option to acknowledge the presence of Afghan refugees and their families. Members of AIRR will serve as volunteers during the event, to direct families to the park, supervise activities, and interact with the children. This event allows FSU law students to connect with a broader population of the Tallahassee Community.
