MEMORANDUM

To: The Jarquin-Yataco Administration

From: The Gabadage-Adams-Louis Administration

RE: Hispanic Heritage Month 2022

On behalf of the Gabadage-Adams-Louis Administration, we would like to congratulate you on a successful Hispanic Heritage Month. The time, energy, and passion that your board put into facilitating this month has had a profound impact on the Student Body.

We would like to highlight and honor these events- the Opening Ceremony, "Mental Health: Sacate las Pilas", "Si Se Puede Headshot/Mixer", "HHM Market Wednesday", "Outdoor Pursuits", "Homecoming Float Building", "Domino Tournament", "Homecoming Festival", "We Need to Talk", "Lunch with Pride and HLSU", "International Coffee Hour with DSA", "LatinX Cultural Celebration & Project Enye", "Club Downunder: Passport to Panama", and the Closing Ceremony. It is clear that these programs were created with deep intentionality that have fostered space for a powerful community to blossom.

These events have not only provided a space for Hispanic/LatinX students to celebrate their culture, but they have opened the door to advocacy and education. Because of your intentional and passionate leadership, students have been able to find a community and a home in HLSU.

We commend the entire Jarquin-Yataco Administration, Executive Board, Programming Board, Committee Chairs, affiliates, and all who contributed to make this month possible. The impact of your leadership and vision was felt far and wide across the campus community.

Congratulations on your great success, we look forward to supporting you in your future events!
