Announcements:

- Chair
 - Land Acknowledgement:
 - The Student Government of Florida State University acknowledges that it is located on land that is the ancestral and traditional territory of the Apalachee Nation, the Miccosukee Tribe of Florida, the Muscogee Creek Nation, and the Seminole Tribe of Florida. We pay respect to their Elders past and present and extend that respect to their descendants and to all Indigenous people. We recognize this land remains scarred by the histories and ongoing legacies of settler-colonial violence, dispossession, and removal. In spite of all this, and with tremendous resilience, these Indigenous Nations have remained deeply connected to this territory, to their families, to their communities, and to their cultural ways of life. We recognize the ongoing relationships of care that these Indigenous Nations maintain with this land and extend our gratitude as we live and work as humble and respectful guests upon their territory. We encourage all to learn about and educate others on the contemporary work of the Indigenous Nations whose land we are on and to endeavor to support Indigenous sovereignty in all the ways that we can.

Legislative Roundtable

- Bowling: We funded SAP at a higher rate because they serve more students overall. Case Competition would serve only 4 students per conference compared to WAP's over 100 students.
- Wildmann: Total participants for WAP is 156. They initially requested 22,500, which is more than the total amount. We added proviso language that no funding should be used for faculty. Case competition must participate in the Washington Tacoma conference and Stetson to maximize participants

- Bettley: We did not fund case competition for events because the cost is 1 thousand per student.
- Diaz- Are we doing proper outreach to SAP
 - Bowling, I believe so but the regulations on SAP are very niche
- Bettley: Can we create an email list?
 - Bowling: RSO emails change frequently but this is a good idea

Vote: Yes: Bowling, Wildmann, Bettley, Hitchcock, Iaconis, Louis

Final Announcements:

- Chair Bettley: I recommend that we talk to the case club so they come with more fiscally responsible proposals.
