

The Florida State University Student Supreme Court

ORDER OF APPOINTMENT

To: All members of the FSU Student Government Association

From: G.C. Murray, Jr., FSU Student Supreme Court

Date: November 11, 2011

Re: General Counsel Appointment

The Florida State University Student Body Statutes expressly states, in an unequivocal manner, that the Chief Justice is allowed to appoint a General Counsel when he/she deems it needed. Due to the fact that Amanda Blair, Deputy General Counsel, is a party to a suit and has asked for Keven Leveille, Senior General Counsel, to represent her there is a deficiency in General Counsels available to serve those in need. For those reasons, the Court appoints Jennito Simon as General Counsel for the Student Supreme Court.

So Ordered.

G.C. Murray, Jr.
