

The Florida State University Student Supreme Court

ORDER OF APPOINTMENT

To: All members of the FSU Student Government Association

From: G.C. Murray, Jr., FSU Student Supreme Court

Date: Dec. 16, 2011

Re: Acting Chief Justice

The Florida State University Constitution of the Student Body impliedly states, in an unequivocal manner, that the Chief Justice is allowed to appoint an acting Chief Justice when he/she deems it needed. Due to the fact that I will be graduating early and can no longer hold the position of Chief Justice, it is important for the efficiency of the Court that I appoint an Acting Chief Justice. For that reasons, I appoint Associate Justice Marialle Bell as Acting Chief Justice for the Student Supreme Court. May she rule well.

So Ordered.

G.C. Murray, Jr.
