- Round Table Discussion

Uddin: This is a great, week long program. Everything is paid for, and you learn how to improve your leadership skills and improve your relationships with other leaders. This makes the campus smaller and more intimate. I recommend everyone applies.

Rowan: I dont think it's right to spend this money on one student, but it's their decision. I am a pro.

Uddin-It's a lot of money because it's free for the student.

- Closing: Leadership is a dope program. It's an all expense paid program, Leadershape is the reason I got involved in the Senate in the first place. Yields remainder of time.
