- TNDQ: none
- Questions regarding position:
 - Chair Leckie: What type of things do you plan to do on advocating for this college?
 - Well I am PR chair for SLC which has allowed me to really interact with students and educate on the mission of SGA. I hope to hold events and distribute information to develop an understanding of what SGA is in students.
 - Chair Leckie: Do you have any idea about your committee preference?
 - No, I wanted to talk to other senators about their experiences
 - Chair Daraldik: If forwarded, as a senator what are your intentions within your seat, what are your goals?
 - Advocate for resilience project. Amazing toolkit to help students with their mental health. I strongly believe in transparency to make sure students across campus have an idea of what SGA does.
- Questions regarding character: None
- Closing: Poli Sci and marketing major. I have been here for 3 years and I love this university. I want to give back and help students on campus feel as welcome as I. I believe I can do great work in this position, thank you for your time

 - Chair Leckie: I see her clearly engaged in making SGA working for students and I believe she'd be a great representative for our college. I'll be voting yes and I hope you do too.

 - Opening: We saved it for April to make sure numbers are good. I spent a lot of time making sure the working and everything on the bill was perfect. Sexual assault is wildly pervasive on our campus as FSU is featured as . I don't think this is a solution, but I believe it is right to recognize the strength and recovery evident and with that I yield.

 - Chair Daraldik: thank you for the work you put into this bill. We passed the amendments in SLAA and I am glad to see this bill.
 - Chair Leckie: Why did you decide to send to OFSL?

- I did not talk to OFSL prior to sending it but I discussed with other organizations and a big thing they wanted was for this to go to greek life. This is meant for all councils and all greek organizations and this way it does not single out any individual organization.
- Chair Cohen: Great job on the work put into this resolution. I believe drawing attention at the SGA level is important to do to encourage students to
- Chair *Dean moves to forward the candidate*, Chair *Daraldik seconds*
- Closing: Thank you for all the nice things said about this resolution. It means alot to me and while it is short and seems like it could be written quickly, it is quite the opposite. Thank you again!
