

## **RSO Name: Society of Automotive Engineers**

Mission: SAE exists to unite students of all majors with an interest in automotive engineering through fellowship, education, and competition. SAE's Baja and Formula racing teams provide real-world experience that cannot be found within the classroom.

Active Members: 20

Dues: \$40 per person

### **The Finances**

Amount Fundraised:

Amount set aside for trip: \$15,000 approx.  
FSU/FAMU account (approx. \$40,000 per car every other year)

Per person Cost:

### **The Request**

Amount: \$3490.06

Categories:

- Registration—
- Lodging— \$2089
- Transportation— \$1401.06 (10 days, \$199.50 with about 2,900 miles)

### **The Trip**

Name: Formula SAE Lincoln

Date: Begin: June 19 2018

Return: June 24 2018

Purpose: This trip benefits the student body as it provides an opportunity for students who put in extra effort to be rewarded with a fun, learning experience. It will be an excellent experience for students to learn and grow. There is little hands engineering provided in classes and this trip provides an excellent source.

Number of Students attending: 19 (FSU students)

### **Miscellaneous**

- **Trip attendees selected based on their participation in the club and how much the students worked and built the car.**

### **RTAC's Decision**

- RTAC has decided to fund SAE \$2850 towards the cost of lodging and transportation. This includes \$150 per person X 19 FSU students.
