Opening Remarks:

- Chair
 - Land Acknowledgement:
 - The Student Government of Florida State University acknowledges that it is located on land that is the ancestral and traditional territory of the Apalachee Nation, the Miccosukee Tribe of Florida, the Muscogee Creek Nation, and the Seminole Tribe of Florida. We pay respect to their Elders past and present and extend that respect to their descendants and to all Indigenous people. We recognize this land remains scarred by the histories and ongoing legacies of settler colonial violence, dispossession, and removal. In spite of all this, and with tremendous resilience, these Indigenous Nations have remained deeply connected to this territory, to their families, to their communities, and to their cultural ways of life. We recognize the ongoing relationships of care that these Indigenous Nations maintain with this land and extend our gratitude as we live and work as humble and respectful guests upon their territory. We encourage all to learn about and educate others on the contemporary work of the Indigenous Nations whose land we are on and to endeavor to support Indigenous sovereignty in all the ways that we can.
 - Hello Everyone, my name is Marshall Widmann, the Chair of the Resources for Travel Allocations Committee I also serve as a Senator in the Student Government Association. So how this is going to work, we will be hearing requests in the order that they were received, so be mindful that if you just submitted a request recently that this process can take a little bit of time so please be patient and we will get to you as fast as possible. Does anyone have any questions on how this process is going to work? Seeing none, I am going to open up the breakout rooms, please join the one in relation to the organization you are here

representing and I will join them when it is your organization's time to present.

 - Total: \$3755
 - Date of Event: 01/06/2023 -
 - Number of Active Members: 30
 - Number Traveling: 17
 - RSO Presentation:
 - Robert Szot:
 - AMS is a conference that meteorology students attend that will be in Denver Colorado from 1/7-1/12, allowing students to market while presenting research gathered at FSU. This event allows students to grow their skills while growing a network of other researchers in the world.

- Questioning/Notes:
 - Sena: Do you have an exact amount for attendees?
 - Szot: The exact amount will be \$3,755
 - Widmann: What was the process for advertisement, and how were members selected to attend?
 - Szot: This was open to all FSU students and we advertised in our General Body Meetings and we also had a conference information meeting, we also advertised the informational meeting on social media. No one was excluded from attending.
 - Widmann: To Clarify, there are 3 members attending one conference costing \$85 total and all other members are attending the conference and the annual meeting will pay \$250 total, \$165 for the meeting and \$85 for the student portion.
 - Szot: That is correct
 - Widmann: How are members affording lodging, and is that coming out of pocket?
 - Szot: Members are lodging together and splitting the price. All travel expenses and lodging are coming out of pocket. We are only requesting money for the registration fee.
 - Widmann: Do you have a total that everyone will be paying per person?
 - Szot: I would estimate that it is \$1000 per person so it is vital that we get the registration fee that will cover 25% of the costs for all members.
 - Widmann: Do all students have to pay a \$25 membership fee to attend the conference on top of the \$60 to attend.
 - Szot: The additional \$25 is for the National Chapter directly, but it is also a part of the registration fee because you have to register as a national member
- **Sena** motioned to enter round table discussion
 - **McEntyre** seconds.
- **Deliberations:**
