C. No more than five percent (5%) of the annual Sweepings or Central Reserves bills may be allocated to the Clothing & Awards category.
803.9 The Other Capital Outlay (OCO) Category

The OCO Category shall be used to pay for items costing in excess of $5,000 and with a life expectancy of at least a year.

A. All money budgeted to the OCO category in the annual Budget and Sweepings bills must have attached proviso language explicitly stating the purpose of the funds. All appropriations from Senate Projects into this category must be preceded by a resolution explicitly stating the purpose of the funds.

B. Inventory of all items purchased from this category must be maintained by both the organization and the SGA Administrative Office.

803.10 The Expense Category

The Expense Category shall be used to pay for items, such as office supplies, nametags, printing, postage fees, telephone charges, and facility rentals, which do not fall under any other category. This account also covers all costs associated with student travel. SGA will fund, either directly or through reimbursement, airfare, rental car(s), gas mileage, and lodging. Student organizations shall not be funded for meals or limited incidental expenses.

A. Guidelines on Items & Purchases

1. No gift cards, gift certificates, phone cards, or other transferable purchases may be made with A&S money.

2. Office supplies purchased from this category must be limited to those with a clear purpose furthering that entity’s operation and function. Decorative or unnecessary office items may not be purchased with A&S money.

3. No obscene, inappropriate, or offensive images or text may be displayed on any printed material purchased in whole or in part with A&S funds.

4. Postage must be budgeted by the account needing postal service. Metered mail service may be obtained from the FSU Post Office with an FSU Postal Charge Form. Postage stamps shall not be purchased.

B. SGA Travel Guidelines

1. Travel expenses may only be incurred in the performance of official duties of the Florida State University Student Body.

2. Only current FSU students and approved organizational advisors may be remitted money for travel.

3. Travel expenses must be requested and approved via the Travel Authorization Request (TAR) form. All foreseeable expenses must be requested in advance, as any deviation from the initial requests is subject to review and possible rejection by the Student Body Treasurer.

4. The Student Body Treasurer shall have the authority to only partially fund travel expenses that the Student Body Treasurer deems unreasonable, provided such expenses were not approved prior to the travel. If the Student Body Treasurer is a beneficiary of any travel expense, the Senate Finance Committee shall review the expense before the trip and approve by majority vote the expenditures. By majority vote, the Finance Committee can partially fund as well as reject the travel expenditures in which the Treasurer benefits. An appeal of the Finance Committee’s decision shall be heard by
the Student Senate under “New Business” with a majority vote required to overturn the Finance Committee’s decision.

5. A roster with the names and emergency contact information of all individuals travelling must be provided to the SGA Accounting Office prior to departure.

6. SGA will fund, either directly or through reimbursement, airfare, rental car(s), gas mileage, lodging, meals, conference fees, and limited incidental expenses.
   a. Airfare must be purchased at the lowest possible price, and must be coach/tourist class seating. The Student Body Treasurer may reject large expenditures for airfare if the tickets were purchased less than two (2) weeks in advance, even if the purchased tickets were the cheapest available at the time of purchase.
   b. Rental cars must be purchased through the University’s contracted rental company. Students may also choose to use their private vehicles and be reimbursed for gas mileage. Mileage will be reimbursed in a manner consistent with federal, state, and university standards. If mileage is to be incurred above the initially requested and approved figure (on the TAR), then all fuel expenses must be documented with receipts.
   c. Lodging accommodations must be made at the lowest possible cost. Groups shall stay four (4) to a room unless prevented from doing so by fire code and/or co-ed issues. Hotel charges shall not exceed $300 per room per night (excluding tax).
   d. Travelers have the option of being reimbursed at the government per diem rate of $80 per day in lieu of claiming lodging and meal expenses. This shall only apply in cases where SGA did not fund any lodging for the organization.
   e. Incidental expenses shall be limited to those absolutely necessary for travel, such as road tolls, parking fees, and other associated costs.

7. All groups and individuals traveling must retain (until reimbursement) original receipts of all expenses for which they intend to be reimbursed. Travelers will only be reimbursed for expenses incurred and justified with receipts, with the exception of gas (803.10 B6 b) and per diem (803.10 B6 e).

Chapter 804 Self-Generated Funds

804.1 Delineation of Self-Generated vs. A&S Generated Funds

Money accrued by SGA-funded entities through such activities as fundraising, the collection of dues, the receipt of outside donations, and profit-generating ventures (e.g., charging event admission to non-FSU students) shall be considered Self-Generated provided that (1) The money is not Activities & Services Fees and (2) The money was not earned at an event or in a manner that utilized any A&S fees.

A. In the case of non-A&S money generated at an event (or in a manner) utilizing A&S fees, all money yielded, up to the amount of the initial A&S expenditure, must be placed back into the appropriate category (or categories) from which the A&S money was initially expended. These funds shall not be considered self-generated, and shall be held to all the applicable restrictions (both general and category-specific) of A&S fees, including those outlined in this Finance Code.

B. If funds are generated in excess of the amount of the initial expenditure of A&S money, the excess shall be considered Self-Generated money. In this case, such funds must be kept in the entity’s on-campus account with the SGA Accounting
Office.

C. Decisions over what constitutes money generated “at an event (or in a manner) utilizing A&S fees” shall be made by the SGA Director of Student Affairs, who is encouraged to consult the Senate Finance Committee in ambiguous situations.

1. Money shall not be considered to have been generated by utilizing A&S funds simply by virtue of being collected in A&S funded reservable space.

2. Membership dues shall never be considered to have been generated through investment of A&S money, except under exceptional circumstances which must be approved by a two-thirds (2/3) vote of the Senate Finance Committee.

804.2 Self-Generated money may be kept in the entity’s on-campus account with SGA Accounting Office or off-campus at a private bank or other institution (except as specified in 804.1 B).

804.3 Self-Generated money is not subject to the provisions of the Finance Code, and expenditures from the (on-campus account) Self-Generated category shall not require the approval of the Student Body Treasurer or any other SGA official. While such spending need not be publicly advertised, neither shall there be any guarantee of confidentiality.

804.4 Under no circumstances may FSU students be charged admission to any event funded with any A&S money (excluding SGA-sponsored concerts, which are held to the provisions of 804.1 A). No FSU student may be denied membership to any SGA-funded organization purely because of their inability to pay dues.

Chapter 805 Penalties for Misspent Funds & Violations of the Finance Code

805.1 Purview

All SGA funded entities, excluding the Union, Campus Recreation, the Student Senate, the Executive Branch (excepting all financially distinct offices), the Elections Office, and the Judicial Branch are subject to the provisions and penalties of Chapter 805 of the Finance Code. The aforementioned exempted entities may not be directly sanctioned, but violations and other irresponsible spending may be taken into account in subsequent allocations proceedings, and also may be grounds for impeachment. The Senate Finance Committee shall take the lead for all investigations as well as all mid-year reviews of any A&S Fee recipient (with the Budget Committee assisting for the mid-year reviews).

805.2 Causes for Sanction

Entities may be subjected to the sanctions outlined in 805.3 for any of the following reasons, with severe and/or repeated incidents being taken into particular consideration:

A. Violating any condition(s) of the Finance Code.

B. Expending A&S money in a manner inconsistent with the request presented to and approved by the Student Body Treasurer (or, if initially rejected by the Treasurer, the Student Body President, the Senate, or the Senate Finance Committee).

C. Expending A&S money on items or services that are irresponsible and/or do not serve the entity’s mission or the Student Body.

D. Exhibiting a pattern of reckless or irresponsible spending, even if expenditures are deemed suitable on an individual basis, that places the entity in either a deficit or such a precarious budgetary situation that the future fiscal welfare of the entity is placed in jeopardy.

E. Entering into a preemptive or unauthorized contractual agreement.
F. Any situation where there is serious and justified concern that the President/Director and/or Treasurer/Financial Officer may be removed from office in the immediate future.

805.3 Sanctions

A. Freezing of Funds

An entity whose funds are frozen may make no expenditures for the (pre-specified) duration of the freeze, which may not exceed ten (10) business days. Previously approved expenditures will be voided unless (1) the purchase order has already been conferred or (2) the Student Body Treasurer consents to the processing of the expenditure.

B. Restriction of Funds

An entity may have its future expenditures restricted to only those pre-specified expenses deemed essential to the entity’s operation. This sanction may only take place after an organization’s funds have been frozen, and shall apply for an indefinite period of time (until the sanction is explicitly lifted). Such restrictions must be explicitly stated at the time of restriction, and must be limited to one, or a combination of, the following:

1. The prohibition of expenditures from a particular category or categories (including, if desired, all categories).

2. The specific enumeration of allowable expenditures, including ranges for dates of purchase, cost, and descriptions of the items/services to be purchased.

3. The requirement that the Senate Finance Committee approve all expenditures not specified in subsection 2 (directly above).

C. Any entity whose funds are frozen or restricted must have its Treasurer/Financial Officer (or designee) make presentations to the Student Body Treasurer (or designee) and the Senate Finance Committee. These presentations shall be scheduled at the behest of the Treasurer and the Senate Finance Chair, respectively, and neither individual shall mandate more than two presentations per any 30-day period (unless consented to by the entity’s Treasurer/Financial Officer).

805.4 Authority to Instate, Appeal, and Repeal Sanctions

A. Freezing Funds

Any entity’s funds may be frozen by the Student Senate, the Senate Finance Committee, the Student Body President, or the Student Body Treasurer.

1. The decision of the Student Body President or Treasurer to freeze funds may be overturned by a two-thirds (2/3) vote of the Student Senate.

2. The Senate Finance Committee’s decision, which is made by majority vote, may be overturned by a mutual agreement of the Student Body President and Treasurer or two-thirds (2/3) vote of the Student Senate.

3. The Senate’s decision, which is made by majority vote, may be overturned by mutual agreement of the Student Body President and Treasurer. It may then be reinstated by a two-thirds (2/3) vote of the Student Senate.

4. The party initiating the freeze may rescind it at any time.
B. Restricting Funds
At the end of the freeze period, if the problems inciting the initial freeze have not
been rectified, another freeze period may be initiated by any of the procedures
outlined in 805.4 A. Provided the initial freeze period was for at least three (3)
business days, SGA may alternatively choose to restrict the entity’s funds
indefinitely in the following manner:

1. A resolution, initiating in the Senate Finance Committee (and passing by
majority vote), is passed by the Student Senate, explicitly outlining the terms
of the restriction as per 805.3 B. This resolution must pass the Senate with a
two-thirds (2/3) vote.

2. These restrictions may be subsequently amended or repealed by resolution,
which must also initiate in the Senate Finance Committee (and pass with
majority vote) and pass the Senate with a two-thirds (2/3) vote. This process
notwithstanding restrictions of funds shall only expire at the end of the fiscal
year when accounts are swept.

An amendment to the resolution must be debated if objected to or found unfriendly with a period of questions and pro/con debate subject to the committee’s rule of procedures. If found unfriendly, an amendment would require a two-thirds (2/3) vote of the Senate Finance Committee to pass. Thereafter, the consent resolution shall be forwarded to the Student Senate, and placed on the Consent Calendar.

1. It shall be the job of the Senate Finance Committee, RTAC, and PAC to keep a working knowledge of their budgets and they shall not pass any Resolutions exceeding the possible allottable amounts as determined by the publicly accessible SGA website.

The Office of Governmental Affairs may, where deemed appropriate, create a policy proposal to be submitted to the Florida Legislature. The process for the creation of this policy proposal shall occur in the following order:

1. The Executive Director of OGA shall work with FSU Administration and any additional relevant stakeholders to survey the Student Body in order to identify priorities from the students of FSU. This survey shall have an effort to be advertised to all FSU students, with no prejudice to lived experience, ideology, age, and any further factors, in order to be all-inclusive of the FSU Student Body.
   a. The execution of this survey shall be at the discretion of the Executive Director, so long as the survey has the proper precautions to be inclusive of all FSU Students (which includes advertisement and time the survey is active, among other variables), and gives room for students to freely express their thoughts and concerns.

2. Following the closure of the survey, the OGA Board of Directors shall have a meeting properly advertised and open to the Student Body, in which they shall discuss the results from the survey and identify their specific legislative priorities for the incoming session.
   a. While legislative efforts do not have to be solely based on the survey, they

3. After legislative priorities are identified and chosen, the OGA Board of Directors shall meet in an official meeting and design an initial (Pre-Senate) draft of their policy proposal for the upcoming session. This can be contained in as few as a singular meeting to as many as the Board of Directors deems necessary.

4.    b. If the Senate chooses to disapprove the policy proposal, it shall be sent back to OGA to make amendments (step five of this process).

   c. To be approved, a majority of the present Senate must vote in favor of approval. In the event of a tie, the presiding officer of the Senate shall serve as the tiebreaker.

   d. This vote shall occur during Special Introductions, where the Executive Director (or, in their absence, the Deputy Director) shall present each piece of the policy proposal in the same manner that a bill would, except that no amendments shall be heard.

7. If approved, OGA shall work to submit and lobby on behalf of all applicable pieces of the policy proposal, including any necessary actions therein.

a. In the event that the OGA Board of Directors chooses, for whatever reason, to not create a policy proposal, they shall create a survey to the specifications detailed for the policy proposal, in order to facilitate this point.

b. Additional considerations beyond the survey may be taken into account, where deemed appropriate.

2. The Senate Liaison for the Office of Governmental Affairs shall compile these legislative stances into a resolution to be introduced to the Student Senate.

3. The resolution containing the legislative stances shall go through the proper processes as with any other legislation.

4. Upon the final vote for the resolution, legislative stances shall be finalized.
   a. Should the resolution be adopted, the OGA may lobby for the items thereof at the discretion of the Board of Directors. The OGA shall not be bound to advocate for any of the stances laid out, but they have the official authority to do so if they wish to.
   b. Should the resolution not be adopted, the resolution may be reintroduced at a later date, at the discretion of the OGA Executive Director and the OGA Senate Liaison.

5. Additional stances may be added to this resolution through submission of an additional resolution by the Student Senate, which shall go through the same process as the original resolution.

D. Time Sensitivity

1. The OGA Board of Directors shall take the utmost caution to perform all duties as it relates to the legislative agenda with enough time to achieve all necessary goals prior to any relevant deadlines.
   a. Should any immediate actions concerning lobbying efforts need to be taken by the Student Senate, the OGA Executive Director shall inform the Student Senate of these actions.

2. In the event that the OGA Board of Directors has failed to maintain adequate time before any relevant deadlines, the following alterations to the processes may be taken, if agreed to by both the Student Senate President and the OGA Executive Director:
   a. For policy proposals, the initial Pre-Senate draft may be immediately voted upon without additional time for consideration of Senate suggestions. In other words, steps four (4) and five (5) may be skipped.
   b. For legislative stances, the resolution may be immediately brought to the floor to be voted upon.

3. Negligence leading to failure to host proper lobbying efforts by the OGA should be properly investigation in order to prevent future nonfeasance.
